Atlanta Public Schools (APS) has partnered with Comcast to launch the Get Our Kids Connected campaign to support low-income families. Eligible students will receive 12 months of free high-speed internet and/or a device that they can keep forever.

Do you know an APS student who needs internet service or a device?

Here's what we need to know:

- Student name
- Grade level
- School
- Name of the head of household
- Address
- Phone number
- Parent email address
- Does the student need a device?
- Does the student need hi-speed internet?
- Is communication required in Spanish?

Submit the above information to https://tinyurl.com/GOKCform
Eligible families will be contacted directly.
