**APS District-Wide Parent Involvement Policy
Distribution Plan**

District Level

The Family Engagement Manager and Family Engagement Specialists employ multiple strategies to distribute the APS District-Wide Parent Involvement Policy to parents which include the following:

- **APS District Website**
The District-Wide Parent Involvement Policy is posted on the APS District Website. Parents can print and/or review the policy and submit evaluative suggestions and recommendations on an electronic feedback form to the Office of Federal Grants and Program Compliance.
- **APS - District Parent Advisory Committee**
The Family Engagement Manager distributes the policy to members of the APS Parent Advisory Committee (A-PAC). The committee members provide suggestions and recommendations for revising and evaluating policy effectiveness.
- **Regional Parent Meetings & Workshops**
Family Engagement Specialists distribute the district policy at their parent meetings and workshops.
- **Parents as Partners Academic Center**
The Family Involvement Liaison distributes the district policy at the parent center to parent volunteers and parents who participate in meetings and workshops.

School Level

Parent Liaisons, school administrators and staff work collaboratively to distribute the district and school policies in multiple ways that include:

- **Parent Meetings and Workshops**
Parent Liaisons distribute the district policy to parents at parent meetings and workshops.
- **Parent Resource Centers/Areas**
Parent Liaisons distribute the district policy parents who visit and volunteer at the Parent Resource Center.
- **School Websites**
The District-Wide Parent Involvement Policy may be posted on the school website and/or include a link to the APS District Website.
