## Hope-Hill Elementary School Parental Involvement Policy 2015-2016

### What is Title I?

**Hope-Hill Elementary** is identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support State and local school reform efforts tied to challenging State academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop, with parents, a written parental involvement policy.
