SAT & ACT FREE TEST PREP

Atlanta Virtual Academy's test preparation courses prepare students for the SAT®, and ACT®. Our test-prep program offers prescriptive learning paths for an individualized experience within the course.

All 9th-12th grade students have access to free web-based test prep courses, which will allow them to complete lessons at their own pace. The courses offer students the flexibility to prepare for college entrance exams *any time, any place, any device.* To view course descriptions, go to **www.atlantapublicschools.us/AVA**.
