

MOWR or DUAL ENROLLMENT COLLEGE CREDIT PROGRAMS

MOWR (Move On When Ready)/Dual Enrollment provides opportunities for Georgia high school students to earn college credit while enrolled jointly at Henry Grady High School and an approved in-state Georgia college or university. Once accepted, students may take advantage of a split schedule (half day at Grady/half day at the college) or be enrolled full-time at the post-secondary institution.

It's important to know...

- All students are subject to the admissions requirements as set for by the respective college to which they seek acceptance.
- Two applications required; online dual enrollment application via www.gafutures.org and an application to the specific college
- All students and parents must sign both the Grady HS Dual Enrollment Agreement and the standard Participation Agreement.
- Students accepted into a MOWR/Dual Enrollment program enjoy the same privileges and opportunities as those enrolled as college freshmen.
- Accepted students earn both 3 college credits and 1 unit of high school credit per class.
- For students accepted into the program, course tuition and books fees are paid by the Georgia Student Finance Commission.
- Students must meet Georgia residency requirements as well as U.S citizenship or U.S national/permanent residential status.
