

WE HACK TOO

POWERED BY

Microsoft

192 HOURS

June 23 ~ 30

We Hack Too is a 8-day virtual hackathon that includes a FREE 1-day launch event inside select Microsoft stores. The 1-day event is a Business Development & Design Incubator where girls ages 8~13 attend coding and gaming workshops. In addition, high school and college level women collaborate with professional mentors to design products and develop business strategies.
