Note to Parents of Children Not Enrolled in the PSC After School Program

Upon receiving enrollment confirmation, please advise your child's/children's teacher IN WRITING that your child will be attending PSC Enrichment Clubs; the day(s) and dates of the club(s); and, that he/she will report to PSC on those days. Please note club times and be prompt in picking up your child. Parents should pick up your children and sign them out from the after school program located in the school's main office. Please do not go to the class to pick up the child/children. Additionally, please note that parents will not be allowed to sit in or watch the classes. We respectfully ask that if parents arrive before classes have ended that you wait in the main office for the children. These are newly adopted rules instituted to ensure student safety in light of the Sandy Hook tragedy. Thank you for your cooperation.
