

Atlanta Public Schools Nutrition Department is pleased to announce our partnership with

ViewPoint

ViewPoint is an industry leader in feedback analysis and the central component of our new feedback experience

Take a Look:

**Here's a picture of the kiosk
your student will use in their
cafeteria!**

WE WANT TO HEAR FROM EVERY STUDENT!

This student survey kiosk will not only give our staff immediate feedback, the feedback will also guide our menu development and help us improve operational efficiency.
