APS Academic Achievement Goal

“Our students will be well-rounded individuals who possess the necessary academic skills and knowledge and are excited about learning.”

Carver Early College Mission

“We will strive to assure that all students experience rigorous coursework, including activities designed to promote further development of critical thinking skills, as they prepare for success in college and success in life.”

Carver Early College Parent Compact 2020-2021

Welcome to Panther Nation!

We want to extend an open invitation for you to join our parent compact group to help make an impact on Early College’s Family Engagement Academic Program.

WHAT IS A COMPACT?

Our School-Parent Compact (SPC) is a written agreement between the school community and parents. The SPC provides an opportunity to create a partnership between the Carver community of the school, teachers and families.

WHAT PURPOSE DOES IT SERVE?

The purpose of a compact is to list the academic goals of the school and identify the specific duties all stakeholders in achieving the goals. It explains how families and schools will work together to help our scholars prepare for college, career and life. This written agreement also provides strategies to help connect learning at school to home.

A COMMUNITY APPROACH

The parents, staff, teachers and community of Carver High School collaboratively develops the School-Parent Compact. Meetings are held annually once a month to review the compact and make changes based on students' needs. Parents are welcomed to contribute their comments and to volunteer through the Parent Center located in room 272.

WHAT IS TITLE I?

Title I is a Federal program for schools. Title I provides funding to local school districts to help ensure that all children in the schools meet the state's academic standards.

Carver Early College is identified as a

Title I school. As part of Every Student Succeed Act of 2017 (ESSA):

Title I programs must be based on effective means of improving student achievement. Include strategies to support parent and family engagement. All Title I schools must jointly develop with families a written family engagement plan.
