Principal Momon's Parent Update

It's Fall!!!!!!

Fall is here and learning is on the rise for the entire Cascade Family. Our teachers and students are becoming more knowledgeable every day during this virtual learning period. As we await the district's decision to re-open the school buildings, we want you to know that we are in constant planning conversations to ensure that we maintain the safety of our students and staff while adhering to the guidelines established by the district. Even though we are learning virtually, we feel that we are Tiger Strong with all of the virtual community gatherings that we have had during the first month of school. Our team takes pride in the virtual events so that we can remain a close unit while we are physically apart. We have some wonderful events in store this month and hope to see everyone in the virtual room. Please attend the District's Virtual Town Hall and Board Meetings for the latest updates and conversations centered around the re-opening of school. Remember, all families should complete their child's Intent to Return Declaration form by October 10, 2020.
