February 2025

Love, Black History, and Random Acts of Kindness is in the Air

February at a Glance

Looking forward to a Fabulous February in the Tigers Den. With the inclement weather hopefully behind us, we are back on track to Greatness at Cascade Elementary School. All scholars need to be in school each day of this month because February is another short month with so many great opportunities ahead. The academic focus for our school is increasing academic vocabulary to ensure that our scholars comprehend the information that they are presented in all content areas. We hope that you take the time too to build vocabulary when students are home with you as well. We will celebrate the past, present, and future of Black Americans this month. Our culminating program will be held on February 28, 2025 at 9:00AM in our gymnasium. We invite parents to attend.

We are pleased to announce that the Scholastic Book Fair will be returning during the first week of February. Students will come home with several new books that are free of charge as a result of a grant that the school received. We encourage you to read with your scholars to help them become stronger readers at home when the books arrive.

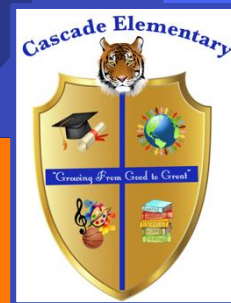

Due to the inclement weather, we decided to move this year's Sneaker Ball to Friday, March 7th. A flyer with details should be attached to this newsletter. This event has been Cascade's premier family engagement event in year's past. We hope that this year will be even more spectacular for families that participate.

In Conclusion

It is great to be back in school. February is a critical month as it is the last month before many of our scholars take the final MAP Growth Assessment for this school year. The staff is ready to end the year with Extreme Excellence. We need you and your scholar to be onboard this "Excellence Train" as well. Please check our website for updates and I look forward to seeing each of you throughout the month.

Yours Truly,

Ms. Tiffany Momon, Principal
