2020-2021 School-Parent Compact

What is a School-Parent Compact?

A written commitment describing how teachers, parents, principal and other stakeholders will work collaboratively to help students meet ambitious learning goals.

The School-Parent Compact is developed jointly

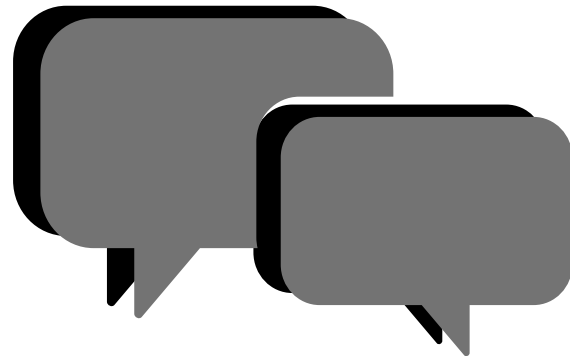

Parents, students, teachers and faculty members work together to develop our school/parent compact. Each school year, three meetings are held for parents, teachers, and students to compare the compact with school data to review our progress and assess our goals.

This compact is uniquely developed to meet the needs and goals of our school and students.

Parents can provide feedback on the compact at any time during the school year by contacting the parent liaison, Erica Solomon (404-802-5340).
