Winter Table Talk

Week of  
January 18 - 24, 2026

## Why do we need candid conversations?

- Ensure that stakeholders of Atlanta Public Schools students are actively included in shaping the future of the Washington Cluster.
- Encourage the exchange of ideas and the development of actionable solutions.
- Collect input and ideas that will help our district, families, community, and schools better support the success of ALL students in the Washington Cluster.
- Foster a welcoming environment built on trust and collaboration.
