## MEDIA PROGRAMS

### **Helen Ruffin Reading Bowl**

The Helen Ruffin Reading Bowl is a state-wide competition set up like a quiz bowl. During competitions, students answer trivia-type questions taken from the texts of the 20 titles that have been nominated for that year's Georgia Book Award. Copies of all titles are available in the media center. For additional information please contact Mrs. Perrino in the Media Center. On Nov. 6, 2018, Atlanta Public Schools launched our district-wide literacy campaign, APSRace2Read. This challenge was designed to encourage students, teachers, staff and parents to read daily and collectively reach 2 million minutes of reading by the end of the 2018-2019 academic year.
