

Frank Lebby Stanton Elementary School

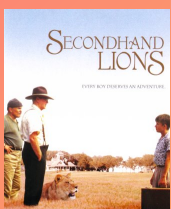

Administration and Instructional Support Team

"Together, We are Stronger", is not just a tagline – yet a collective effort practiced in word and deed. The F.L. Stanton team works collectively and diligently to foster, promote, and sustain a learning environment where students' work and the diverse learning needs of all are valued. Students understand that learning is a process and mistakes are a natural part of learning. To prepare students to be college and career ready and ultimately, contributing 21st century global citizens, learning is connected to standards – based instruction including the integration of interdisciplinary STEM project – based learning activities.

"Children are like snowflakes. They are pure. They are beautiful. They are unique and the each soar at their own pace. Don't try to compare them.."

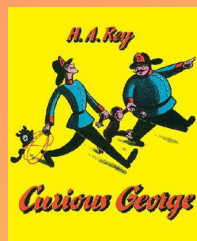

-Phyllis Earls
Principal

My favorite children's book is *Secondhand Lions* by John Whitman.

"Great gifts, great responsibility.
Greater gifts, greater responsibility."

-Sharon Green
Assistant Principal

My favorite children's books are *The Curious George* series by H.A. Rey.

"Strong reading and writing skills are ESSENTIALS in college and career preparedness."

-Shannon O'Stricker

Reading and Writing Instructional Support

My favorite children's book is *The Boxcar Children* by Gertrude Warner.
