THE PILLARS
A New WAY FORWARD

2021 Virtual Parent Professional Learning

6:00 pm - 7:00 pm - Virtually

January 11, 2021
Media Watch

This pillar will focus on how to look at all forms of media with a fresh eye and develop and/or enhance critical thinking skills necessary to discern if what they are watching is moving them forward or dragging them backward.

February 8, 2021
Community

This pillar will allow you to discover that when community residents use their collective power and participate in community events, they can become very influential in elections, developing policies, and securing resources that may impact their lives.

March 8, 2021
Heritage

This pillar highlights the values, traditions, customs, and cultural patterns that have been passed down from generation to generation to create a sense of prominence and purpose.

April 12, 2021
Creativity

This pillar focuses on discovering one's unique gifts and talents, allowing your inner genius to shine through, and turning new and imaginative ideas and dreams into reality.

May 10, 2021
Prosperity

This pillar will help to empower individuals to rise above their past and current financial circumstances and achieve financial freedom by managing money wisely, being conscious of every dollar earned, setting financial goals, and spending limits.
