

A career in technology starts here.

ABOUT THE PROGRAM

TechBridge and Goodwill have partnered to launch a free, 16-week Technology Career Program designed to prepare you for a career in the growing technology and innovation fields. We are looking for tech-savvy adults with a high school diploma or GED, who are ready to invest in their future.

THE PROGRAM OFFERS

- Industry certifications
- Job placement with area employers at average pay of **\$20 per hour**
- On-the-job support for one year
- Coaching to help you advance in your career
- Laptop provided during program duration

WHAT YOU WILL LEARN

- Web technology skills
- Salesforce.com administration
- Business skills to succeed in leading corporations
- Job readiness and life skills
- Money management and investing for success
