Therrell Strategic Plan (Therrell Cluster)

District Mission & Vision

With a caring culture of trust and collaboration, every student will graduate ready for college and career

A high-performing school district where students love to learn, educators inspire, families engage and the community trusts the system

Cluster Mission & Vision

The Therrell Cluster is a community emphasizing a student centered culture of collaboration where students will graduate ready for college and career.

The Therrell Cluster is a high performing cluster where all stakeholders work together to ensure students are empowered to become 21st century globally competitive citizens.

School Mission & Vision

Through rigorous and relevant instruction, Daniel McLaughlin Therrell High School will create an environment that fosters pride in self, school and community, reinforces love for life-long learning and encourages students to realize their college and career goals.

Daniel McLaughlin Therrell High School is committed to instilling hope through maximizing the potential of every student by increasing academic rigor, instructional relevance and nurturing meaningful relationships to prepare students for a diverse and changing world.

2.

Signature Program: International Baccalaureate

School Priorities

- Develop and implement engaging, innovative and rigorous curriculum that will optimize learning by centering on a student's identified skills and talents and that will be implemented in all subject areas.
- Aggressively address literacy and numeracy needs.
- Organize opportunities beyond school hours to address needs of student population.

1. Create an educational and professional

quality faculty, staff and administrators.

environment that will attract and retain the highest

School Strategies

1A. Personal Project for 9th and 10th grade - This project will be centered on the student's

- interest and demonstrate a culmination of his or her learning the MYP. 1B. Reflective Project for 11th and 12th grade - This project will be an in-depth body of work produced over an extended period and submitted in year 2 of the Career-related program. 1C. Develop students to be responsible citizens of their local, national and global communities who strive to exhibit the ten attributes in the IB Learner Profile.
 - 1D. Demonstrate "International mindedness" which fosters an understanding of cultures and environments across global contexts. 1E. Apply the five categories of IB Approaches to learning skills that help students "learn how to
 - learn" not just what to learn. 2A. Ensure that Reading Plus is available and used throughout 9th and 10th grade classes.
 - 2B. Hire a reading specialist to ensure that reading is implemented across all subjects.
 - 3A. Increase club offerings (public events, contests, competitions, conferences, workshops, community service, field trips, mentoring/tutoring programs, career training, internships, and visual performing arts).
 - 3B. Establish and maintain student court for certain disciplinary matters.
 - 4A Expand AVID program to prepare students for college by focusing on reading, writing and debating skills, and other life skills.

- Management

Academic

Program

- Systems & Resources

financed and updated to current standards.

Technology needs will be assessed, identified,

- Develop and maintain a brand for Therrell that establishes a unified community and cultivates a positive and professional atmosphere.
- Utilize and grow community partners

- 1A. Create and maintain standards and expectations for high quality performance for faculty, staff, and administration.
 - 1B. Teacher trainings focused on increasing rigor.
 - 1C. Establish Therrell University to afford opportunities for ongoing professional development.

Uses of Flexibility/Innovation

- 1A. Improve student access to computers and printers.
- 1B. Ensure all classes are equipped with up-to-date technology.

Uses of Flexibility/Innovation

- 1A. Formally adopt and enforce current uniform policy. 1B. Work to improve school spirit.
- 1C. Periodic surveys to staff, students and parents to determine needs and current awareness of programs and
- 1D. Monthly interactive symposium called T3 (Therrell Think Tank) to allow students and guests to present on
- various topics 2A. Strengthen partnerships with cluster schools.
- 2B. Develop comprehensive community engagement programs aligned with Therrell's mission and objectives. 2C. Establish an incentive / recognition program to reward and show appreciation to community based partners,

Uses of Flexibility/Innovation

7.

6.

- Involvement
- 25% increase in the dollar amount for academic scholarships and athletic

50% increase in Parental

- scholarships 8. 25% increase in student
- enrollment Implementation of
- community school (GED, distance learning courses,

etc)
