COVID-19 Quarantine Conditions

Condition 1 Parent/Guardian notifies school of a student confirmed positive. (Student was at school in the last 48 hours prior to confirmed positive)	• Team conducts contact tracing (48 hours from confirmed + test) • Tracing includes siblings, classes, homeroom teacher, specials teachers, and intervention team • Vaccinated teachers without symptoms do not quarantine.
Condition 2 Student tests positive for COVID during surveillance testing.	• Student immediately reports to the CARE room • Nurse conducts contact tracing (48 hours from confirmed + test) • Faint line positives or 1 positive 1 negative requires PCR before identifying close contacts. The student will quarantine until PCR results come in.
Condition 3 Staff tests positive	• Staff immediately leaves the premises • Nurse conducts contact tracing (48 hours from confirmed + test) • Includes colleagues, students, and other external visitors • Substitute takes over class

2021-2022

Communication Plan

Deerwood Academy will follow the district's overall communication plan, but will also use the following to communicate to families:

- Automated Call, Text, and email
- ClassDojo
- Parent Letter
- School Website

Student Technology

K-5 devices have been assigned to students. Each device has been labeled with each student's first and last name. When a class pivots to virtual learning, the teacher and support staff will break down the device carts and distribute the devices and the chargers to students. Upon our return to the building, we will collect the devices, disinfect them, and store them back into the carts.

2021-2022

Instruction during Quarantine/Isolation

Whole class Quarantine (Cluster in one space)	• Class will follow the Deerwood Academy Virtual Schedule • Virtual instruction will take place on zoom on a whole group reduced schedule. • Small and guided groups will take place in the afternoon.

Siblings of confirmed positive
 	
or
 	
Students with positive in home
	• Teacher contacts parent/guardian to share Asynchronous Google Classroom access information.
	• Student completes assignments based on standards
	• Additional assignments and activities provided through apps in mybackpack.:
	    • Book Nook
	    • Brain Pop
	    • ExactPath
	    • Gallopade
	    • HMH Suite
	    • Moby Max
	    • MyOn
	    • Saavas
	    • StemScopes
	    • Study Island
	    • Typsey
	    • Zearn

Return to School Protocol

Once the Student Self-Report form has been completed, a member of the Health Services Department will contact the parent/guardian to assess the situation and provide a return date. The student's absences will be excused through the return date communicated by Health Services.
