Quarantined Scholars Virtual Instructional Plan 2022-2023 Parent Version

This Virtual Instructional Learning Plan outlines our process for continuing instruction in a virtual setting in the event your scholar must quarantine/isolate due to COVID-19 exposure, infection or school closure. Our plan is based on the APS Quarantine Instructional Guidance.

Individually Quarantined/Isolated Scholars:

- Once your scholar has been quarantined/isolated, The Covid Response Team will do the following;
 - Notify impacted parents/guardians directly via phone
 - Issue district response letter to persons in close contact (physical copy or email)
 - Send Atlanta Public Schools issued device home with scholar, following parent/guardian signature acquired for documentation.
 - Parents/guardians will be provided information to access asynchronous assignments (located in Google Classroom)

Full Class Quarantine/Closure:

- Once an entire class has been quarantined/isolated, The Covid Response Team will do the following;
 - Notify impacted parents/guardians directly via phone
 - Issue district response letter to persons in close contact (physical copy or email)
 - Send Atlanta Public Schools issued device home with scholars, following parent/guardian signature acquired for documentation.
 - Parents/guardians will be provided information to access asynchronous assignments (located in Google Classroom)
 - Teacher will provide instruction virtually via Zoom

Virtual Instruction for Quarantined Classes or School Closure:

Pre-K:

Pre-K scholars will use the Seesaw platform in MyBackpack for virtual learning

K-5:

K-5 scholars will use Zoom for instruction.

- Your scholar's homeroom teacher will schedule a Zoom meeting and place the link in Google Classroom at the top of the page in the "Classwork" tab.
- Scholars will log into Zoom for live instruction during the school day.
- Below is a link to additional parent directions for how to login to Zoom if parents have trouble accessing the link in Google Classroom: <http://tinyaps.com/?parent>
- Special Education and ESOL teachers will access your scholars homeroom teacher's Zoom link to join a breakout room with individual or small group of scholars. This will allow them to provide services as needed.

- If your scholar has not completed the Google Classroom assignment within 3 days, the teacher will contact for your assistance. If your scholar needs additional support, please contact your scholar's teacher.
- If your scholar is quarantined/isolated for more than 5 school days, the teacher will check in with the scholar and parent (phone/zoom) to provide any assistance needed.
