

Dear Families,

We are getting closer to the date in which all schools will utilize HealthCheck to manage daily health screenings for students. **All students participating in Face-to-Face learning MUST COMPLETE this health screening daily.**

You will first need to start the registration process by visiting the website below:

<https://healthcheck.stratumhealth.io/#/sign-up>.

Step #1: Fill out the required information

Step #2: Find your school and grade on the facility code you were provided, and type in the code. *(see screen shot and back of the letter)*

Step #3: Once all fields are complete, click sign up.

Step #4: Check your email inbox for final activation

You can also search **HealthCheck app by Stratum** and download the app for Apple App Store (iPhone) or the Google Play Store (Android).

Once activated, you will be able to access HealthCheck on any smartphone, tablet or web browser and begin performing HealthChecks immediately.

Respectfully,

School Administration.
