

Accessing Zoom On An iPad or Cellphone

Accessing Zoom On An iPad Or Cell Phone

Download the Zoom App from the App Store

*If your device is an APS iPad the Zoom App has already been installed, proceed to Step 1

① Open ZOOM App

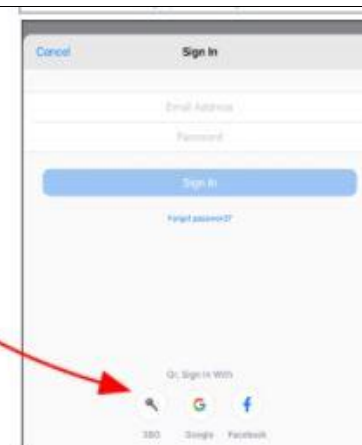

This is the app, not the icon in myBackpack

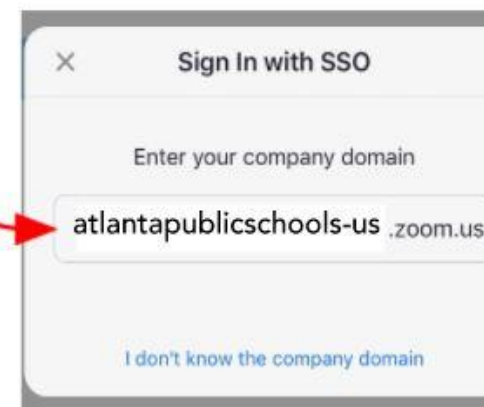

② Click on Sign In

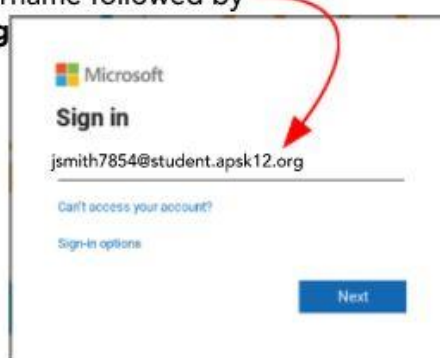

③ Click on SSO

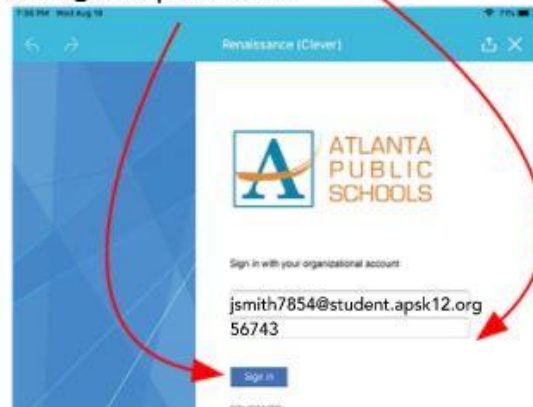

④ Enter **atlantapublicschools-us**

5 Enter your child's username followed by
@student.apsk12.org

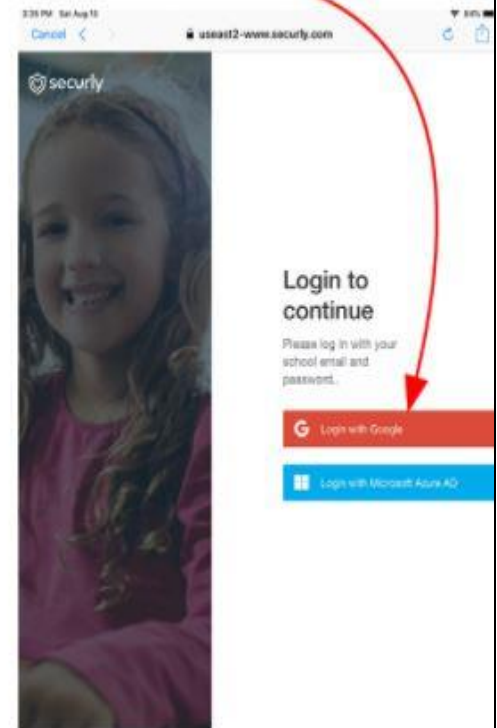

6 Enter your child's username followed by
@student.apsk12.org and password.

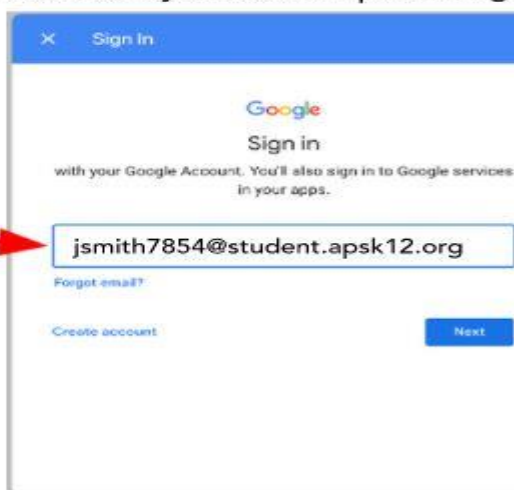

Complete Steps 7 through 9 if the screen below appears

7 Click on Login with Google

⑧ Enter username followed by @student.apsk12.org

A screenshot of the Google Sign-In page. At the top, it says "Sign in" with a close button. Below that is the Google logo and the text "Sign in with your Google Account. You'll also sign in to Google services in your apps." There is a text input field containing the email address "jsmith7854@student.apsk12.org". Below the field are links for "Forgot email?" and "Create account". A blue "Next" button is on the right.

⑨ Enter password

A screenshot of the Google Sign-In page, showing the password entry step. It says "Hi Jamon" and shows the email "jsmith7854@student.apsk12.org". There is a password input field containing "56743". Below the field are links for "Forgot password?" and a blue "Next" button.

⑩ Click Open

A screenshot of a system dialog box that says "Open in 'Zoom'?". There are two buttons: "Cancel" and "Open".
