

# EAGLE NEWS

FROM PRINCIPAL CHRISTIAN

Summer Edition 2025

Greetings Eagle Nation !

I hope this message finds you well and enjoying a fun and exciting summer! I want to take a moment to sincerely thank you for your support throughout this past year as we worked together to provide your scholars with the best academic experience possible. I'm sure you'll agree that we had an incredible year—and if you're anything like me, you're eager to see what we have planned for the 2025–2026 school year.

I hope you were able to register your scholar for a summer activity that keeps them engaged and motivated to continue learning. I firmly believe that scholars involved in meaningful summer programs not only maintain their academic skills but often make progress. Even if your scholar's summer plans focus on rest and relaxation, please encourage them to **READ!** Please remind them to log their minutes into **Beanstack** and enter the **Summer Reading Challenge**. Scholars participating in the reading challenge will not only win cool swag from the district but they will also earn a pizza party with me on the first Friday of the school year if they complete the challenge between June 1st & July 31st.

To keep you informed about your scholar's academic progress, we have enclosed their final report card, which highlights their academic achievement and attendance for the full 180-day school year. For scholars in grades 3–5, we've also included copies of the **2024–2025 Georgia Milestones Assessment (GMAS)** reports. These reports provide an overview of their performance in reading, English Language Arts, math, and science (for 5th grade only).

Please continue to visit the BaMO website at <https://www.atlantapublicschools.us/BaMOAcademy> and consider signing up for Principal Christian's Remind101 messages to stay updated on summer opportunities and the upcoming school year.

Finally, to our rising 6th grade families who will be moving on, we wish you all the best! Remember, BaMO will always be home.

Wishing you a safe, happy, and enjoyable summer. We look forward to seeing you at the BaMO Open House on August 1, 2025 and the first day of school on August 4th!

In Service for Scholars,

*Principal Christian, Ed. D.*
