## GA PRE-K

## AGES BIRTH TO FIVE YEARS

We support learning through play, creative expression, and guided activities. We build strong relationships as the foundation of early learning.

We promote language and literacy development, early math and science concepts, and positive attitudes towards learning.

## HEALTH & WELLNESS

We promote physical development both indoors and outdoors. We serve breakfast and lunch, as well as healthy snacks. We provide medical, dental, hearing, vision, and behavioral screening.

## SOCIAL SERVICES

We help families find assistance in challenging times.

We help families identify and reach goals around employment, training, and parenting.

## DISABILITY SERVICES

We build on children's strengths and individualize experiences to meet their needs.

We collaborate with community agencies when further assessment is needed.
