

HOWARD Scoop!

Our students have
been busy
exploring many
new concepts this
month!

Congratulations to Oliver Floreani for winning 3 awards at the State Science Fair including "Best Overall in Junior Division" & "Best in Category for Environmental Engineering!"

HAZEL HEALTH

Hazel Health has partnered with Atlanta Public Schools to provide access to quality health care services for all students, at no cost to families. A school employee can initiate a video visit with a Hazel health provider while your child is at school to provide either physical or mental health services. Therapy sessions with Hazel health are a safe space and are private and confidential.

We are striving to get 100% of our families to sign the consent form so that all students have access to this service. Click or scan the QR code below to sign up today!

The Family Engagement Survey is now live!

We need to hear your feedback as we continue to partner with our families and community. Please click or scan the QR below to complete the survey by April 30th!

Want to know more about what is happening with family engagement? Be sure to tune into the Family Engagement Leadership Team meetings that are posted on YouTube monthly!

Our website has a new look! Check it out today!

HOW CAN FAMILIES BE INVOLVED?

- Volunteer for the Tardy Desk: tinyurl.com/HowardTardy
- Check your child's Google Classroom and Parent Portal at least once weekly to know what is happening with their academics and attendance!
- Visit donorschoose.org to fund a project for D.T. Howard Middle School

SPOTLIGHT ON MILESTONE RESOURCES

Check out the Links below for helpful study resources as students prepare for the Georgia Milestones in May!

- Georgia DOE study guides linked here! This resource will provide sample questions, writers checklists, and exemplar responses!
- Need extra practice with a specific skill? Visit IXL by logging in through MyBackpack!
- For 8th grade students who need that extra push in Science, use BrainPOP science by logging in through MyBackpack!
