Technology Procedures and Expectations for Parents/Guardians

<mark>**Tech Support Hours: 9:05 a.m. to 9:35 a.m. in the library with a pass**</mark>

Parents/Guardians Should:
- Monitor device use at home through Securly Home.
- Ensure that their child has charged the device and that it comes to school fully charged each day.
- Ensure that students understand and follow the Atlanta Public Schools Responsible Use Procedures.
- Ensure that the only person using the device is the student to whom it is assigned. Parents and siblings should **not** use the school-issued device of any student.
