

SUPPORT SPARK IN 2023-2024

THE PURPOSE OF SPARK PTO

Provide the financial and volunteer resources to assist the school's leadership, provide academic enrichment, and build school spirit in our local community. The PTO promotes open communication among administration, teachers, and parents, while working with APS to build the strongest elementary school possible. All donations will be put towards expenses that benefit our students and teachers THIS YEAR!

Suggested Donation

\$300 per Student

**Minimum
Donation is \$5**

The SPARK PTO strives for 100% family participation in the SPARK Supporter Campaign, and our goal is to reduce the number of times you are asked to donate throughout the year.

By participating in the SPARK Supporter Campaign, you are contributing to the PTO which funds SPARK curriculum, teacher training, teacher supplies and so much more. You are **ALSO** supporting the Teacher Gift Fund which aims to ensure that all teachers at SPARK receive equal monetary gifts throughout the school year to thank them for all they do!

While \$300 per student is our suggested donation, every dollar helps. Recurring donations are now an option, and all gifts are tax-deductible.
