

## Meet Our Bilingual Community Liaison – Ms. Gladys Rodriguez

Hello Sutton Families,

My name is **Ms. Gladys Rodriguez**, and I am honored to serve as your **Bilingual Community Liaison at Sutton Middle School**. I am passionate about building strong communication and relationships among our school, families, and the community. My goal is to strengthen parent and family engagement, support student achievement, and reduce barriers that may prevent families from fully participating in their child's education.

Throughout the year, I will be providing **activities, workshops, and resources** designed to help families stay engaged and informed. I serve as a bridge between home and school, supporting educational initiatives and connecting families with community resources. I also work closely with the Division of Schools Family Engagement to ensure our programs, policies, and practices encourage meaningful family participation.

Sutton Middle School is proud to have a **Parent Center** at each campus. I encourage you to stop by, introduce yourself, and explore the many resources available to you, including:

- Assist with Bilingual Communication in English/Spanish
- Access to a computer and scanner
- Support with Parent Portal and Google Classroom
- Assistance with registration, lunch applications, and MySchoolBucks
- Parent-Teacher Conferences, Parent University, Families Community Outreach
- Volunteer opportunities, PTA involvement, field trips, community resources and more

This year, one of my main goals is to increase the number of families who are connected to the **Parent Portal** and to assist parents in setting up an **email address** so that everyone has access to Sutton's digital communications.

I am truly excited about the year ahead and look forward to partnering with you to support our students. Please feel free to reach out to me anytime at **gladys.rodriguez@atlanta.k12.ga.us** or **404-802-5687** with any questions.

Thank you,

**Gladys Rodriguez**
