A Note From Doc

Greetings Raider Family,

This week we had the opportunity to celebrate our Senior Class Decision Day and reveal our Class of 2021 Top 10 students. I want to you all to know that I am proud of all of the work our seniors have done this year. You have done an aMAYSing job of staying focused and committed to excellence despite the challenges of the pandemic and virtual learning. You are our future leaders and I believe success will follow you if you remember who you are and stay committed to achieving your goals.

Also I want to acknowledge my 9th, 10th, and 11th grade students. You too have demonstrated grit and tenacity. I want you to know we love you and that we are here to support you. Make sure that you finish strong these last few weeks of school. Also parents, please make sure to look at your students' gradebook to see if they need to turn in any work.

Senior Parents

Parents and guardians, as we prepare to celebrate our senior swalking across the stage, please make sure you are reviewing your student's grades. Please contact their counselor or teachers if you need our support. Remember that the **2021 Commencement is on May 24th at the Georgia Tech Bobby Dodd Stadium.**

Student Cameras

It is the expectation that all students have their cameras on during the first 15 minutes of instruction to ensure students are in attendance and engaged during direct instruction. It is also the expectation that all cameras be on while students take quizzes and tests.

If your student needs help getting their username and student number, please call 404-802-5100 for assistance. Have an aMAYSing week! Please check out our Weekly Parent Raider Report for additional news and information.

Sincerely,
Doc
