The majority of APS graduates are **pathways** completers (90%).

When transitioning from middle school to high school, students are faced with new challenges including embracing academic independence. By participating **Path<sup>2</sup>Mays**, students will be introduced to the tools that are needed to be successful in high school, college and careers (employability skills which include time management, teamwork, problem-solving, etc.). Students will participate in engaging and hands-on activities for each **pathway**:

- Healthcare Science
- Biotechnology
- Sports Medicine (Exercise Physiology)
- Business
- Entrepreneurship
- Finance
- Graphic Design
- Audio Visual
- Engineering
