September SEL book

September SEL Book

SELWE, written by Lupita Nyong'o is our SEL book of the month!! This phenomenal story about a pretty little girl inspires all who read it!! Sulwe is a children's fiction picture book by actress Lupita Nyong'o. It follows the story of a young girl who wishes for her dark skin to be lighter. The story is ultimately about colorism and learning to love oneself, no matter one's skin tone.

This month's SEL focus theme is self-awareness. Self-awareness is the ability to recognize one's own feelings, interests, and strengths, in addition to maintaining an accurate level of self-efficacy. Students who are self-aware are capable of describing and understanding their own emotions. In addition, they are capable of recognizing their own strengths and weaknesses. Students' beliefs about their own strengths and weaknesses influence the academic choices they make.

We do not own the rights to this story and it should only be shared with students in the Zoom classroom setting for instructional purposes only.
