

Howard Presents

SYNCHRONICITY PLAYMAKERS

**TUESDAYS OR
WEDNESDAYS 4:30 - 6:30**

Participants in this program will practice audition techniques, character development, scene work, and improvisation, while working together to bring a script to life. Then, at the end of the session, we'll add costumes, lights, and scenery and experience the ultimate excitement of performing in front of a live audience on the Synchronicity stage. All experience levels are welcome!
