

# WYLDLIFE

## At Howard Middle School

### What is Wyldlife?

At Wyldlife, middle school students connect with peers and caring adults through fun games and activities once a month in Dr. Alfred's classroom from 8:03-8:45am. We also create safe spaces to explore faith off campus and all students are invited to participate if they choose. All students are invited to come!

Why is it spelled Wyldlife? The "Y" and the "L" stand for Young Life. Wyldlife is the middle school version of Young Life, an international youth organization. To find out more about Young Life you can check out their website at [www.younglife.org](http://www.younglife.org)
