Dear Students and Families of Atlanta Public Schools,

As we move into the 2020-2021 school year even amid a pandemic and civic unrest, all of us in Atlanta Public Schools (APS) remain dedicated to ensuring that the district continues to be a student-focused district where our students love to learn, educators inspire, families engage and the community trusts the system.

We have great expectations for this school year. Through a close partnership, we can meet our mission to prepare every student for college, career, and life in a caring culture of trust and collaboration.

For me, this journey continues my own personal mission rooted in a passionate belief that education is the greatest equalizer. I believe strongly in the inner strength, power, and talent of our children and that with strong teachers and schools, we can maximize our students’ talents so they can pursue whatever opportunities they choose.

I come to Atlanta and my role as superintendent feeling both humbled and privileged to be able to put these beliefs into motion in our schools.

I come with an abundance of hope. Even amid the reality that we will not be walking into our school buildings every day this school year, I am committed to seeing that quality teaching and learning continues.

And I come with confidence because of our students and their families.

As APS families, you play a critical role in supporting our efforts, and your engagement matters to the district and your child. It starts with staying engaged in school, especially when we employ virtual teaching and learning methods. Building relationships and learning the material takes our collective commitment to ensure that our students view every school day – whether in school or remotely – as a day of instruction and a new opportunity to learn.

To support this effort, we have provided you with our 2020-2021 APS Student Handbook to serve as your comprehensive guide to student and parental rights, responsibilities, and expectations for this upcoming school year.

Thank you for your ongoing partnership. Welcome back, and have a great school year!

Sincerely,

Lisa Herring, Ed.D
Superintendent, Atlanta Public Schools

Corona Virus Disease 2019 (COVID-19)

Atlanta Public Schools (APS) is closely monitoring all developments related to Coronavirus Disease 2019 (COVID-19), and we take this and any other health-related concern very seriously. District officials will remain in close contact with local, state, and federal agencies – such as the Georgia Department of Education (GaDOE), the Georgia Department of Public Health (DPH), the Fulton County Board of Health (BOH), the Dekalb County Board of Health, and the Centers for Disease Control (CDC) for the latest information on this disease.

In this case, many of the decisions and plans around quarantine or school closures will be led by the Georgia Department of Public Health officials and Georgia Department of Education aligned with federal government guidelines. We have received guidance from state and local public health officials including local emergency management agencies further incorporating key components into the District’s emergency management practices. We will provide updated information to students, families and District employees as we receive updates and guidance from local, state, and federal health officials.

If you believe that anyone in your household is experiencing symptoms of COVID-19 or have been exposed to the novel coronavirus, please contact your primary care doctor or an urgent care clinic. For additional information, please call the State of Georgia COVID-19 Hotline: (844) 442-2681.

If you would like current district communications about COVID-19, please review the APS COVID-19 Website: www.atlantapublicschools.us/coronavirus or contact Dr. Valencia Hildreth, Comprehensive Health Services Manager at Valencia.hildreth@atlanta.k12.ga.us. You may also contact us via the Let’s Talk forum on our district website.
Guidelines for Online Etiquette During Virtual Instruction

As we prepare for an amazing school year, which will initially include virtual instruction, the Office of Student Discipline would like to share some guidelines for online etiquette to ensure that the electronic communication being exchanged between our students is appropriate and well received.

The following character traits are essential for all students who interact with teachers and peers on any virtual, or face-to-face learning platform:

- **Respect**: Showing high regard for self and others.
- **Responsibility**: Being accountable for individual behavior that is positive and contributes to a conducive learning environment.
- **Honesty**: Being truthful in word and action.
- **Caring**: Showing concern for the well-being of others.
- **Fairness**: Demonstrating impartial, unbiased and equitable treatment for all.
- **Citizenship**: Being an informed, responsible and caring participant in the community.
- **Courage**: Intentionally or deliberately doing the right thing in the face of difficulty, regardless of who is present.

While engaging in the virtual environment, the APS Student Code of Conduct & Student Handbook, as well as state and federal laws and regulations including, but not limited to, Title IX, still apply to infractions that may occur. While not an exhaustive list, the following are some examples of the infractions that can occur during virtual instruction:

There are additional codes that may apply during virtual learning; therefore, it is important for all students to remain on their best behavior while participating in this setting. Consider these tips:

- Be Respectful. If it is inappropriate face-to-face, then it is inappropriate online as well.
- Be careful with humor to make sure it is not offensive, rude, or disruptive to the class.
- Apply grammatical rules when communicating online. Avoid *textspeak*, e.g., gr8, r u, b4, etc.
- Avoid posting or sharing inappropriate material, publicly or privately.
- If in doubt, before posting, message your teacher for guidance.
- Avoid engaging in inappropriate chatting/texting. Remain focused on your assigned task.

Please carefully review all discipline codes, resources, and other pertinent information included in the Student Handbook. If you need additional support, please feel free to contact a school administrator. Additionally, if you are being violated, feel you are the victim of a discipline infraction, or are witness to any violations, please contact a school administrator to report the issue. Bullying and harassment can also be reported anonymously by completing our online form at [www.atlantapublicschools.us/Page/49840](http://www.atlantapublicschools.us/Page/49840).

We appreciate your support as parents/guardians, students, and community. Collectively, we will continue to prepare every student for college, career, and life.

**FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT NOTICE**

Rights under the Family Educational Rights and Privacy Act (FERPA):

1. The right to inspect and review the student’s education records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the records they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education record that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask APS (District) to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

   If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures can be found in Policy/Regulation JR, Student Records, at www.atlantapublicschools.us.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

   One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Board of Education; a school or District approved volunteer; a person or company that is under the direct control of the District with respect to the use and maintenance of education records and with whom the District has contracted or who volunteers to perform a service or function for which the District would otherwise use employees (such as an attorney, auditor, medical consultant, therapist, insurance adjuster); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

   A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

   Upon request, the District discloses educational records, without consent, to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-8520.

5. The District may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. Disclosures of “directory information” relating to individual students will be made under limited circumstances without the written consent of the parent, legal guardian or eligible
student. These circumstances include when directory information is posted in schools such as on displayed student work; when printed in school or district publications such as graduation programs, yearbooks or school playbills; in district communications for student recognition or information; when disclosed to the United States military; law enforcement entities; welfare agencies; colleges, universities and other postsecondary institutions; scholarship-granting organizations; and other entities as approved by the Superintendent or his/her designee.

Directory information is information that is generally not considered harmful or an invasion of privacy if released. Directory information may include student or parent/guardian name(s); student or parent/guardian address(es); student or parent/guardian telephone listing(s); email address for student and/or parent/guardian; photograph or image of the student; student’s date and place of birth; student grade level; student participation in officially recognized clubs and athletic activities; student weight and height, if the student participates in an athletic activity; dates of attendance in the Atlanta Public Schools; enrollment status; most recent educational agency or institution attended; and degrees, honors, and awards received.

The District records and maintains audio recordings and video or photographic footage and audio recordings of students on school property and at school events in locations including, but not limited to, parking lots, school buses, lunchrooms, classrooms and hallways. Such information is used and maintained for security and other informational purposes, including yearbooks, video yearbooks, school publications, school/district websites and district/school social media such as Twitter, Instagram and Facebook. In many cases, recordings or photographs contain directory or peripheral video or photographic footage of students engaged in day-to-day activities including, but not limited to, walking to class and attending classroom or participating in school/district activities. The District or District designees may crop, edit, or treat the photograph, video, or audio clip at its discretion.

Peripheral video footage, photographic images, or audio recordings of day-to-day student activities do not include footage of a student or students committing, being involved in, or witnessing a violation of law or District or school rule, procedure, or policy. The District may also determine that other activities do not qualify as peripheral images, footage, or recordings on a case-by-case basis.

Parents/Guardians of students under 18 years of age or a student 18 years of age or older objecting to the release of this information should place their objection in writing and notify the student’s Assistant Principal, no later than September 14, 2020, or within ten calendar days of the student’s enrollment.

Each school is to keep any opt out provided in the student’s permanent record folder and a copy should be forwarded by school mail to the Accountability Department, Attn: Director of Research and Evaluation, Atlanta Public Schools, Center for Learning and Leadership, 130 Trinity Avenue, Atlanta, Georgia 30303.
PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

PPRA affords parents of elementary and secondary students certain rights regarding the conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include, but are not limited to, the right to:

- **Consent** before students are required to submit to a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED) –
  1. Political affiliations or beliefs of the student or student’s parent;
  2. Mental or psychological problems of the student or student’s family;
  3. Sex behavior or attitudes;
  4. Illegal, anti-social, self-incriminating, or demeaning behavior;
  5. Critical appraisals of others with whom respondents have close family relationships;
  6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
  7. Religious practices, affiliations, or beliefs of the student or student’s parent; or
  8. Income, other than as required by law to determine program eligibility.

- **Receive notice and an opportunity to opt a student out of** –
  1. Any other protected information survey, regardless of funding;
  2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
  3. Activities involving collection, disclosure, or use of personal information collected from students for marketing or to sell or otherwise distribute the information to others. (This does not apply to the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for, or to, students or educational institutions.)

- **Inspect**, upon request and before administration or use –
  1. Protected information surveys of students and surveys created by a third party;
  2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
  3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

APS will develop and adopt policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. APS will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. APS will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. APS will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and will be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this direct notification requirement:
• Collection, disclosure, or use of personal information collected from students for marketing, sales, or other distribution.
• Administration of any protected information survey not funded in whole or in part by ED.
• Any non-emergency, invasive physical examination or screening as described above.

Parents who believe their rights have been violated may file a complaint with the Family Policy Compliance Office - U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202.

PARENTS’ RIGHT TO KNOW

In compliance with the requirements of the Every Student Succeeds Act statute, APS informs parents that you may request information about the professional qualifications of your student’s teacher(s). The following information may be requested:

• whether the teacher has met the Georgia Professional Standards Commission requirements for certification for the grade level and subject areas in which the teacher provides instruction;
• whether the teacher is teaching under an emergency or other provisional status through which Georgia qualifications or certification criteria have been waived;
• the college major and any graduate certification or degree held by the teacher;
• whether the student is provided services by paraprofessionals, and if so, their qualifications.

If you wish to request information concerning your child’s teacher’s qualification, please contact the principal.

APS NONDISCRIMINATION

The Atlanta Public Schools Board of Education believes that all students are entitled to equal educational opportunities regardless of their race, color, religion, sex, citizenship, ethnic or national origin, age, disability, medical status, military status, veteran status, marital status, sexual orientation, gender identity or expression, genetic information, ancestry, or any legally protected status. No student shall be subjected to discrimination or harassment because of the student’s race, color, religion, sex, citizenship, ethnic or national origin, age, disability, medical status, military status, veteran status, marital status, sexual orientation, gender identity or expression, genetic information, ancestry, or any legally protected status in any of the Atlanta Public Schools’ education programs, activities, or practices. The board further recognizes its responsibility in accordance with applicable laws (Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act) to ensure that all students have an equal opportunity to benefit from and participate in all programs and activities of the school system. See Policy JAA.

Additionally, sexual harassment is a form of sex discrimination prohibited by Title IX. APS is committed to upholding these laws and takes discriminatory behaviors seriously. For detailed information regarding Title IX reporting (including reports of sexual harassment), formal complaint procedures, grievance process/procedures, supportive measures, investigation, available relief, appeal rights, or for any other information regarding Title IX, please visit https://www.atlantapublicschools.us/domain/10589.
Atlanta Public Schools has established both informal and formal procedures for resolving any complaints of discrimination, harassment, or bullying. Allegations of discrimination should be reported immediately to an administrator or counselor at the school, center or any school event.

**TRANSGENDER STUDENTS**
The Atlanta Public Schools Board of Education believes that all students are entitled to equal educational opportunities regardless of their race, color, religion, sex, citizenship, ethnic or national origin, age, disability, medical status, military status, veteran status, marital status, sexual orientation, gender identity or expression, genetic information, ancestry, or any legally protected status. No student shall be subjected to discrimination or harassment because of the student’s race, color, religion, sex, citizenship, ethnic or national origin, age, disability, medical status, military status, veteran status, marital status, sexual orientation, gender identity or expression, genetic information, ancestry, or any legally protected status in any of the Atlanta Public Schools’ education programs, activities, or practices.

The board further recognizes its responsibility in accordance with applicable laws (Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act) to ensure that all students have an equal opportunity to benefit from and participate in all programs and activities of the school system.

The district values the uniqueness of every student; therefore, whenever a student identifies himself or herself as being transgender, if the family desires to do so, the school will collaborate with the student and family to develop a plan for the student.

ATTENDANCE INFORMATION

ATTENDANCE
In support of student success, the Atlanta Board of Education expects students to be present at school and to arrive and depart on time in accordance with the provisions of the Georgia compulsory attendance law. Pursuant to O.C.G.A. §20-02-0690.1, parents, guardians or other persons having control or charge of students are liable for the students’ attendance in school.

In view of the negative effects of excessive tardiness and absenteeism on student performance, the Board expects local schools to initiate programs to assist students in improving their attendance and punctuality. See Policy JB.

Chronic absenteeism, truancy, and habitual tardies create a barrier to students’ ability to reach their full academic potential. Students who are absent or tardy miss valuable instructional time, and are less likely to master those skills, concepts, and principles needed for success. Make-up work can never replace the learning process that takes place in the classroom. Regular school attendance also establishes a pattern of positive habits that can be carried over throughout life.

Please note that absences are coded as excused in accordance with the Official Code of Georgia and Georgia State Board of Education guidelines.

COMPULSORY ATTENDANCE LAW
In accordance with the Official Code of Georgia, O.C.G.A. § 20-2-690.1, mandatory attendance in a public school, private school, or home school program shall be required for children between their sixth and sixteenth birthdays. Any parent, guardian, or other person residing in this state who has control or charge of a child or children and who violates this Code section shall be guilty of a misdemeanor and, upon conviction thereof, shall be subject to:

- Fine – not less than $25.00 and not greater than $100.00
- Imprisonment – not to exceed 30 days
- Community Service – or any combination of such penalties at the discretion of the court having jurisdiction

All children enrolled in public school for 20 school days or more are subject to compulsory school attendance, even if they are under 6 years of age (O.C.G.A. § 20-2-150).

Please see the chart below for a quick view of Atlanta Public Schools attendance protocol:

NOTIFICATION OF ABSENCES

In accordance with the provisions of state board rule 160-5-1-.10, Student Attendance, the Atlanta Board of Education defines acceptable excuses for being absent from school as:

• Personal illness of the student and/or a situation in which attendance in school would endanger the health of the student or the health of others.
• Serious illness or death in the immediate family of the student that would reasonably necessitate absence from school.
• Special and recognized religious holidays observed by the faith of the student that necessitate absence from school.
• Mandates by the school or other governmental agencies, such as pre-induction physical examination for service in the armed forces, a court order or out-of-school suspension.
• Conditions rendering school attendance impossible or hazardous to student health or safety.
• Voter registration or voting in a public election, not to exceed one (1) day per school year.
• Five (5) days or fewer per school year for a child of a military or National Guard parent who is called to duty in a combat zone or combat-supporting post or for a student whose parent is on leave from such an assignment.

Upon return to school from any absence, the student shall bring to the school a note, signed by the parent/legal guardian, stating the reason for the absence.

A student who serves as a Page of the Georgia General Assembly shall be credited as present by the school for days missed for this purpose.

A student who attends court proceedings related to his or her foster care shall be credited as present by the school for days missed for this purpose.

A student who has an emergency necessitating absence from school for a portion of the school day must be present at school at least for one-half of the instructional day, excluding lunch, in order to be counted present for the day.

Prior to the end of the school day, students shall be released only to their parents/legal guardians, or to persons properly identified to school office personnel by the parents/legal guardians, or upon written request by the parents/legal guardians confirmed by telephone or in person.

In accordance with administrative regulations and guidelines set forth by the superintendent, parents shall be notified when children are absent from school or class without prior notice and approval.

Absences are recorded as excused when the school receives written notification from the parent/guardian explaining the reason(s) for the absence. The notification must be received by designated school personnel within three (3) school days of the student’s return. All written notifications must be signed and dated by the parent/guardian. A doctor’s note is also accepted.

If the parent/guardian has provided 10 or more days of written notifications due to illness, a doctor’s note may be required for subsequent absences.

TARDIES

Administrative Regulation JBC-R(2) states in part: A school may request a parent/guardian provide proof of residency if a student’s attendance record indicates a pattern of tardies that place the school on notice that the address of record is invalid/inaccurate.
EARLY CHECK-OUTS
Whenever a student is released from school prior to the end of the regular school day, the student should bring a written note from his/her parent/legal guardian stating the reason for the early dismissal. The student should only be released to his/her parent/legal guardian or to a person designated by the parent/legal guardian, as documented by school records, and upon presentation of proper identification or confirmation by telephone or fax. Students may also be released to child welfare authorities as allowed by law. Because class time is important, doctor’s appointments should be scheduled, if possible, at times when the student will not miss instructional time. Parents should not check out students for the purpose of avoiding car rider traffic.

DROP OUTS
The Atlanta Board of Education (ABE) believes that earning a high school diploma is essential to the lifelong success of our students. The ABE strongly encourages students to remain in school through high school graduation due to the negative impact on the students and on society when students leave school without earning diplomas.

However, pursuant to O.C.G.A. § 20-2-690.1 (e), an unemancipated minor between the ages of 16 and 18 years who has not completed the requirements for graduation may withdraw from enrollment in school, or “drop out,” after the following criteria have been met:
1. The child’s parent/legal guardian provides the Principal or designee with written notice of his/her agreement with the child’s withdrawal.
2. Upon receiving the parent/legal guardian’s written permission to withdraw the child, the Principal or designee shall convene an exit conference with the child and his/her parent/legal guardian within two (2) school days of the receipt of the written notice.
3. During the exit conference, the Principal or designee shall make a reasonable attempt to share with the student and parent/legal guardian:
   a. The support options available to help the student stay in school.
   b. The educational options available, including nontraditional programs for completing a regular high school diploma and the opportunity to pursue the General Educational Development (GED) credential.
   c. The consequences of not having earned a high school diploma, including lower lifetime earnings, fewer jobs for which the student will be qualified, and the inability to avail oneself of higher educational opportunities.
   d. The procedures for re-enrolling in school if the student wishes to do so in the future.

Eighteen-year-old students and sixteen- and seventeen-year-old emancipated minor students may also withdraw from school. Schools shall make reasonable attempts to notify the parent(s)/legal guardian(s) if the student resides with them and to conduct an exit conference with the student. See Policy JBCD.

NO SHOWS AND WITHDRAWAL WITHOUT PARENT/GUARDIAN PERMISSION:
Pursuant to Administrative Regulation JBCD-R(1): The District may withdraw a student without parental permission:
1. if the student is beyond the compulsory attendance age and has accumulated more than 10 consecutive days of unexcused absences. The superintendent or the superintendent’s designee shall use due diligence to notify the parent, guardian, or other person if the LEA plans to withdraw such student. Such notification shall be by certified mail, return receipt requested. The superintendent or the superintendent’s designee shall document a minimum of three attempts to contact the parent, guardian, grandparent, or “other
person” for the explicit purpose of holding a withdrawal conference. The school may still pursue the interventions as outlined in the Atlanta Public Schools attendance policy and regulations.

2. if the student is within the compulsory attendance age and has accumulated more than 10 consecutive days of unexcused absences. After withdrawal, the student may be referred to alternative school for a minimum of 90 days. The superintendent or the superintendent’s designee shall use due diligence to notify the parent, guardian, or other person if the LEA plans to withdraw such student. Such notification shall be by certified mail, return receipt requested. The superintendent or the superintendent’s designee shall document a minimum of three attempts to contact the parent, guardian, grandparent, or “other person” for the explicit purpose of holding a withdrawal conference. The school may still pursue the interventions as outlined in the Atlanta Public Schools attendance policy and regulations.

3. if the District learns the student is currently enrolled in another school, school system, private school or home study program. The superintendent or the superintendent’s designee shall use due diligence notify the parent, guardian, or other person if the LEA plans to withdraw such student. Such notification shall be by certified mail, return receipt requested. The superintendent or the superintendent’s designee shall document a minimum of three attempts to contact the parent, guardian, grandparent, or “other person” for the explicit purpose of holding a withdrawal conference.

4. if the District has confirmed the student no longer resides in the school’s attendance zone. The superintendent or the superintendent’s designee shall use due diligence to notify the parent, guardian, or other person if the LEA plans to withdraw such student. Such notification shall be by certified mail, return receipt requested. The superintendent or the superintendent’s designee shall document a minimum of three attempts to contact the parent, guardian, grandparent, or “other person” for the explicit purpose of holding a withdrawal conference. See, JBC-R(3) School Admissions – Students who Move During the School Year.

5. if the student is not in attendance on the first day of school but was expected based on prior year enrollment. Such student shall be withdrawn as a “no-show” student and shall not be included in any enrollment or attendance counts.

PARTICIPATION IN EXTRACURRICULAR ACTIVITIES

If a student is marked with an unexcused absence for the school day, the student will not be allowed to participate or attend extracurricular activities scheduled for the same day that the student is absent.

MAKING UP MISSED ASSIGNMENTS OR TESTS

It is the student’s and parent’s responsibility to make arrangements for make-up work. Students should ask their teacher for any missed assignments on the first day they return to school. The number of days allowed to complete make-up work will be determined by the principal or his/her designee. Failure to comply with this procedure will result in a grade of zero (0) being given for graded assignments missed during an excused absence. Local boards of education are not required to provide make-up work for unexcused absences.

At the discretion of the school principal, any student who receives an out-of-school suspension that interferes with his/her ability to participate in standardized testing, may be granted an opportunity to participate in partial suspension and attend school during the testing time only. Any student who receives an out-of-school suspension, but presents as a safety concern to the school community may be denied an opportunity to return to his/her zone school and participate in standardized testing during the suspension period.
ENROLLMENT, REGISTRATION AND TRANSFERS

Students in all grade levels who are new to the Atlanta Public Schools should enroll as soon as possible. Students enrolling for pre-kindergarten must be four years of age on or before September 1. Except as allowed by law and APS Regulation JBC-(R)(1), kindergarten students must be five years old on or before September 1 and first grade students must be six on or before September 1.

APS requires registration when a student is new to the district, transitions from 5th to 6th grade, transitions from 8th to 9th grade, or whenever a change of residence occurs.

Eligible unemancipated minor students shall be enrolled in schools by their parent(s) or legal guardian(s). Persons in control or charge of students who do not have legal guardianship may conditionally enroll students. Adult students and emancipated minors may enroll themselves. Emancipated minors must present a certified copy of the legal documents granting emancipation. See Policy JBC.

The Atlanta Public Schools (APS) shall serve all eligible K-12 students residing with their parent(s) or court-approved legal guardian(s) in the city of Atlanta. In all cases where the question of interpretation of the law relative to residence is involved, the final decision shall rest with the Superintendent. Students must meet enrollment and age requirements as defined in state law. See Policy JBC. The Atlanta Public School System has established attendance zones for schools. Students must attend the school in their assigned attendance zone where their custodial parents or legal guardians (hereinafter “parents”) reside unless they request and receive a transfer to enroll elsewhere. A person who owns property in the City of Atlanta, but does not reside in the City of Atlanta, is not considered a resident. Parents who are contemplating moving should determine the zoned school for the new address by contacting APS directly; realtors and other non-APS websites sometimes have incorrect or outdated information.

For more information about enrollment or if you are contemplating moving or a transfer, please call Student Assignment at 404-802-2233, visit your school, or visit the Atlanta Public Schools website at www.atlantapublicschools.us.

CUSTODY

Parents are encouraged to provide the school a copy of all court order(s) regarding the custody of the child. APS personnel may request proof of legal custody in situations involving multiple adults claiming control of the same student or should a question arise. See Regulation JBC-R(2). Student enrollment forms, as well as other official documents of the school, should be signed by the natural parent or guardian with whom the child resides. The school will give to non-custodial parents, upon request, all information required under the Family Educational Rights and Privacy Act (FERPA) and the laws of Georgia, unless there is a valid court order directing the school not to divulge such information. If such order exists, a copy must be presented to the principal.

CHANGE OF ADDRESS

Parents/guardians shall inform the school and provide updated residency information including a change of address form and general affidavit of residency accompanied by new proof of residency documentation within 10 business days of a move that occurs during the school year. These documents should be returned to the Main Office or Registrar’s Office of the student’s school. Families discovered to have moved out of the school zone who have not informed the school of the updated address may be withdrawn immediately and placed in the school to which the current residence is zoned. See Regulation JBC-R(3).
SCHOOL CHOICE/ GENERAL ADMINISTRATIVE TRANSFERS
The Atlanta Public Schools (APS) offers school choice options for students who request to attend a school other than their neighborhood/zoned school. Parents/guardians must request a transfer to attend an out of zone school during the annual application period. Transfer applications for the upcoming school year will be accepted each spring semester. For more information regarding transfers to attend an out of zone school, please contact Student Assignment at 404-802-2233 or studentassignment@atlantapublicschools.us. For more complete guidance on transfers, please also see Regulation JBCCA-R(2).

Students with transfers are expected to have regular and punctual attendance and to abide by all disciplinary rules at the transfer school where they attend. A transfer may be revoked if any of the following occur:

1. The student has accumulated any combination of 10 or more unexcused absences from school or class, tardies to school or class, early dismissals from school or class, or late pickups from school;
2. The student has a combined total of four in school suspensions, suspensions of one to three days (1-3), or disciplinary referrals to the office; and/or
3. Two or more suspensions of 3 days or more for any reason, or expulsion.

The General Administrative Transfer Application Window for the 2020-21 school year will be posted on the APS website.

VERIFICATION OF RESIDENCY
A school system employee or designee may visit the address given by any parent/guardian to verify residency. The property address given must be the actual location where the student and parent/guardian live full time. Schools may request a parent/guardian provide proof of residency if: (1) mail is returned from the student’s address of record; (2) a student’s attendance record indicates a pattern of absences, tardies; or (3) other circumstances are presented that place the school on notice that the address of record is invalid/inaccurate for the student.

The parent/guardian shall notify the school immediately if any change in residence occurs. Students who cease to be residents of the District or who move to another school attendance zone may be eligible to remain enrolled in their home school for a limited time. See Regulations JBC-R(2) and JBC-R(3). For more information, please contact Student Assignment at 404-802-2233.

GRADE PLACEMENT
Enrolling students shall present an official transcript of work or credit at the time of enrollment. If a transcript is not presented, the student shall be accepted provisionally in the grade to which they indicate membership. If, upon receipt of an official transcript, it is found that the student has been enrolled in the wrong subject or grade, the student shall be withdrawn immediately and re-enrolled in the appropriate grade or subjects. The parent(s)/legal guardian(s) shall be informed in writing of the change.

Students enrolling without official transcripts shall be accepted provisionally in the grade to which they indicate membership. Records of each student’s previous work should be required before final placement is determined. A reasonable effort should be made to obtain such records. If the records are not forthcoming within 30 calendar days, an academic assessment shall be made by the school to determine final placement. See Regulation JBC-R(2).

WITHDRAWAL FROM SCHOOL
At the time of withdrawal, students must return all textbooks, library books, and other school-owned items. Any such items not returned, and any other school-related expenses for which the student is responsible (such as lunch charges), must be paid for at the time of withdrawal. The school may withhold grade reports,
diplomas, and/or certificates of progress until restitution is made for lost or damaged textbooks and/or media materials.

In situations where a custodial parent enrolls a child in school, that same parent should be the person who withdraws the child from school. However, the custodial parent who enrolled the child in school may give certified written permission to the school to allow a non-custodial parent to complete withdrawal procedures. A minor who is not emancipated may not drop out of school without the written permission of his/her parent/guardian. Prior to accepting such permission, the school shall schedule a conference with the student and parent/guardian to discuss the educational options available to the student and the consequences of not earning a high school diploma.

Students who are under disciplinary investigation or who are in the process of being disciplined or referred to a disciplinary hearing may not be withdrawn.

Eighteen-year-old students and 16 or 17 year old emancipated minor students may withdraw themselves from school. An attempt will be made to notify the parents/guardians if the students reside with them.

APS may withdraw a student without parent/guardian permission as required and permitted by the Georgia State Board of Education Rules.

GENERAL INFORMATION

COMPLIANCE WITH GEORGIA HIGH SCHOOL ASSOCIATION (GHSA) RULES IN ATHLETICS
APS complies with the rules of the GHSA regarding eligibility and other athletic issues. Please visit www.ghsa.net for more information.

FIELD TRIPS
In support of student success, the Atlanta Board of Education recognizes the importance of school-sanctioned field trips that provide instructional experiences or contribute substantially to the achievement of students, such as trips that relate directly to a school course or field of study or trips during instructional time by school teams or clubs that have qualified for local, state, regional or national competitions or performances. No student shall be barred because of lack of funds from participating in trips planned as part of the general instructional program that occur during the school day. All requests for financial participation in such field trips shall be optional and shall in no way affect a student’s ability to participate. This policy applies to all school-sanctioned field trips, regardless of the mode of transportation, including those sponsored by schools, by parent groups or by community partners. Fees may be required for participation in excursions planned as enrichment activities outside of the regular school day, however, reasonable efforts shall be made to raise funds to assist students who are not able to pay the fees due to financial hardship. See Policy IFCB.

Parents will receive notices of field trips in advance of the scheduled trip and will be asked to sign a field trip permission form.

Individuals or organizations often offer the opportunity for students to travel during weekends or school breaks, or even during times when school is in session. Unless these opportunities are approved by Atlanta Public Schools, matters of interest or concern must be addressed to the individuals or representatives sponsoring these trips.

CLUBS, ORGANIZATIONS & EXTRACURRICULAR ACTIVITIES
Participation in school-sponsored activities is an excellent way for a student to develop talents, receive individual recognition, and build strong friendships with other students; participation, however, is a privilege, not a right.
Students attending regularly scheduled club meetings must follow the rules established by their school. Clubs will meet on a scheduled basis so as not to conflict with academic instruction. Sponsors or coaches of athletic teams, student clubs and performing groups such as the band, choir, and drill and athletic teams may establish standards of behavior—including consequences for misbehavior—that are stricter than those for students in general. If a violation is also a violation of school rules, the consequences specified by the Student Code of Conduct or by local policy will apply in addition to any consequences specified by the organization’s standards of behavior.

For more comprehensive guidelines, please refer to Policy JHC and Regulation JHC-R(1).

**BIRTHDAYS/CELEBRATIONS**
The school faculty and staff are happy to recognize student birthdays. However, because instructional time is very important, no birthday parties for students or teachers may be held during instructional time. Additionally, parents/guardians and/or students wishing to bring food or beverage to school to distribute for celebrations or for other purposes must receive pre-approval and authorization from the school administration. School administration may limit or exclude distribution of food and beverages at their discretion. Students may face disciplinary consequences if distribution of food/beverage is without authorization or results in disruption to the school environment.

**BOOK BAGS, SPORTS BAGS AND OTHER BAGS**
Students are allowed, but not required, to use a book bag to carry their textbooks and school supplies. However, students are discouraged from using a rolling book bag because such bags often create tripping hazards. If students choose to use a rolling bag, they must carry the bag when entering and exiting the bus and when going up and down stairways. Bags that are too bulky for students to safely hold in their lap are prohibited on the bus. For safety reasons, bags and other items may not be placed in the center aisle of the bus. All student bags are subject to search.

**CANCELLATION OF SCHOOL**
In the event of severe weather or other emergencies, official information about school closings will be broadcast on Atlanta area radio and television stations. Parents should be aware that severe weather or other emergencies could cause school to be canceled during the school day and should plan accordingly. Atlanta Public Schools works closely with local television and radio media outlets to inform the public when school closings occur. The following media outlets will provide up-to-date information to the public in the event of a school closing or if the student day must be shortened due to emergency conditions: WSB radio and local television WSB (ABC), WGCL (CBS), WAGA (FOX), and WXIA (NBC) are the official stations for APS announcements of school closure.

Should schools close during the day when students are already in attendance, information will be provided through our local media outlets to parents, and bus transportation will generally be provided in the same manner as during the regular close of the school day.

**CHILD ABUSE**
Any student (or parent or friend of a student) who has been the victim of an act of sexual abuse or sexual misconduct by a teacher, administrator, or other school system employee is urged to make an oral report of the act to any teacher, counselor, or administrator at his/her school. Please refer to Policy JCAC for comprehensive guidelines.

Georgia law requires that school employees and volunteers immediately (or within 24 hours) report any suspected cases of child abuse or neglect. Once a report has been made, official representatives of DFCS have the right to come to the school to interview the child without parent notice or permission. APS
personnel are not permitted to discuss or share information about child abuse reports with parents/guardians. To report suspected child abuse, you may contact your school social worker, school administrator or staff member, APS Social Work Services at 404-802-2247, or the DFCS Child Protective Center at 1-855-GACHILD / 1-855-422-4453 where reports are taken 24 hours a day, 7 days a week.

**DRIVER’S LICENSE / CERTIFICATE OF ATTENDANCE**
The Teenage and Adult Driver Responsibility Act requires that students must satisfy school attendance requirements in order to receive and maintain a Georgia driver’s permit or license. There is a $5.00 fee for all Certificates of Enrollment. Students should submit their request for a Certificate of Enrollment at least two weeks prior to the date needed. For additional information, contact the school office. During the summer months, Certificates of Enrollment are issued by the Department of Student Relations, 130 Trinity Avenue – 2nd Floor, Atlanta, Georgia 30303 (404-802-2233).

**Driving and Parking on School Campus** – Parking on school grounds is a privilege, not a right, which can be revoked. Students who drive to school must follow all safety rules and procedures establish by the principal, including obtaining a parking permit if required. Violation of the rules, regulations, and policies of the Board of Education and/or the school concerning driving or parking a vehicle on school campus can result in suspension or expulsion from school, revocation of parking privileges, and/or having the vehicle towed away at the driver’s expense. **While a student's vehicle is on school property, the principal and his/her designee have the right to search the vehicle without obtaining permission of the student. If you disagree with the school's ability to search your vehicle, do not park on school property.**

**EMERGENCY CONTACT INFORMATION**
It is critical for the school to be able to contact parents/guardians any time students are at school. The school must have the parents’/guardians’ current address and home, cellular, and business telephone numbers, if applicable. Emergency contact persons and their telephone numbers are needed in case a parent cannot be reached. This information is required at the time of enrollment and registration and whenever a change occurs with the parents’ address, telephone, or emergency contact information.

**EMERGENCY PROCEDURES: EVACUATIONS, SHELTER-IN-PLACE AND OTHER PROTECTIVE ACTIONS**
All Atlanta Public Schools school facilities have an emergency operations plan. The specifics of each plan differ for each location. Students, teachers, and other district employees will participate in training and drills of emergency procedures. When emergency announcements are made or the fire alarm is sounded, students and visitors must follow the direction of teachers or other campus staff in charge quickly, quietly, and in an orderly manner.

**GEORGIA Sexting LAWS FOR TEENS AND MINORS**
In Georgia, teens and minors accused of sexting images of or to another minor can be charged with a felony or misdemeanor, depending on the circumstances involved. In accordance with O.C.G.A 16-12-100, a felony conviction carries a sentence between five (5) and 20 years imprisonment and a fine of up to $100,000. The offense is considered a “sexual offense,” which requires a mandatory minimum sentence that cannot be suspended. The maximum penalty for a misdemeanor conviction is 12 months in jail, a fine of $1,000, or both.

**Felony Offenses**
An adult (older than 18) who commits a crime of computer or electronic child pornography faces felony penalties. Teenagers age 18 and younger can also be charged with a felony if the conduct involved does not fall within the misdemeanor offense.
Misdemeanor Offenses
Georgia law allows a reduced misdemeanor penalty for certain acts of teen sexting. Misdemeanor penalties apply only if:

- The child depicted in the image is 14 or 15
- The depicted child consented to its creation, and
- The defendant did not distribute the image to another

HUMAN TRAFFICKING
Georgia Law O.C.G.A 16-5-46 prohibits trafficking of persons for labor or sexual servitude. Sexual servitude means, in part, “any sexually explicit conduct as defined in Code Section 16-12-100 for which anything of value is directly or indirectly given, promised to, or received by any person, which conduct is induced or obtained by coercion or deception or which conduct is induced or obtained from a person under the age of 18 years. Any person who commits the offense of trafficking a person for labor or sexual servitude against a person who is under the age of 18 years shall be guilty of a felony, and upon conviction thereof, shall be punished by imprisonment for not less than 10 nor more than 20 years.

The Atlanta Public School District is taking a strong stance against human trafficking by educating our students, teachers, administrators, support staff, and other employees about the dangers and signs of child exploitation, as well as human trafficking. Professional development offerings are provided online to all staff, and students are also provided with opportunities to learn about human trafficking through our Social Emotional Learning curriculum. Additionally, in accordance with O.C.G.A 16-5-47 Georgia State Bill 104, all buildings in the district have adult appropriate awareness/reporting posters in the adult restrooms, as well as age-appropriate signage in all schools.

Discuss internet safety with your child. Please encourage your child to do the following:

- Allow you as a friend with them on all social media accounts for safety
- Accept friend requests only from people they have met in person
- Inform parent if any adult request to be their friend on social media
- Speak with you if any sexual images or other inappropriate links/messages are received
- Alert parents if anyone suggests they send inappropriate photos or if someone offers a job or travel opportunity

Learn additional internet safety tips here: [www.internetsafety101.org](http://www.internetsafety101.org) and warning signs of human trafficking here: [www.gacares.org/warning-signs.html](http://www.gacares.org/warning-signs.html)

LOCKERS
Lockers are property of the school and may be opened by a school official without the permission of the individual student. Students to whom lockers are assigned can be suspended or expelled if the locker contains weapons, drugs, or other unauthorized materials.

LOST AND FOUND
Each school has a “Lost & Found” area where lost items are turned in and may be claimed. Items that are not claimed by the end of the school year will be discarded. Items of clothing that may be removed, such as coats and sweaters, should be labeled with the student’s name.
LUNCH WITH STUDENTS
Parents are welcome to eat lunch with their children at school; however, a school may limit or cancel lunches if a parent's presence or behavior intentionally or unintentionally causes a disruption or safety concern. If a custodial dispute arises, the school may request custody documentation and may restrict lunches as deemed appropriate or as necessary pursuant to a relevant legal documentation. All visitors must sign in at the school office and obtain a visitor’s badge that must be worn at all times while in the building or while on the school grounds. On such occasions, parents are encouraged to purchase a school lunch but are permitted to bring food to the school for consumption by themselves and their child(ren) only. Commercial foods may not be delivered to the school without prior approval by the principal.

ILLNESS
If a student becomes too ill to remain in class, the student may contact their parent to make arrangements to be checked out of school. The principal should be notified in writing if a student has a chronic illness or disability that could require special or emergency treatment. Students should not return to school until fever- and/or vomit-free for 24 hours without the use of medication.

Contagious illness: If a student has been identified as possibly having a contagious illness, the school system will follow the infectious disease reporting protocol including guidance and recommendations from Fulton County or Dekalb County Board of Health.

IMMUNIZATION REQUIREMENTS

- Certificates of Immunization are required by Georgia Law 20-2-771. All kindergarten, sixth and seventh grade students, all students new to Georgia and students coming from any private school must have the Georgia Certificate of Immunization 3231 form signed by a licensed health-care provider or the county health department.

For students entering from out-of-state schools, please contact your local Health Department or a Georgia licensed physician to have immunizations transferred to the Georgia Immunization Certificate (Form 3231). You will need to have your immunization record from your state in order to transfer immunizations to Form 3231. All requirements apply to students transferring from out-of-state schools to Georgia schools.

*New entrants include anyone that is entering Georgia schools for the first time or is returning to a Georgia school after being gone for more than 12 months or one school year.

Any electronic activity conducted by employees, students or other persons via the Atlanta Public Schools (APS) network or using APS computer resources, hardware or software is subject to inspection and monitoring. There should not be any expectation of privacy. Use of electronic systems shall be in support of and consistent with the vision, mission, and goals established by the Atlanta Board of Education and for the purpose of instructional and administrative support. The use of electronic technology is a privilege which may be revoked at any time.
All data accessed, stored, or transmitted via APS electronic resources shall be used in a responsible, ethical, and lawful manner. Any unauthorized use or any failure to comply with applicable law, policy and rules relating to the use of electronic resources will result in the loss of electronic network access and/or the imposition of disciplinary actions. Unauthorized use includes, but is not limited to programming vandalism or “hacking” activities; access, transmission, storage, or display of offensive materials or messages including, but not limited to, those that contain: sexually explicit information; ethnic/racial slurs; defamatory, abusive, obscene, profane or threatening language; encouragement of the use of controlled substances; or illegal material.

Use of educational technologies demands personal responsibility and an understanding of the acceptable use procedures. Student use of technology is a privilege, not a right. Failure to follow the acceptable use procedures will result in the loss of the privilege to use these educational tools and may result in school disciplinary action and/or legal action. For more information, visit www.atlantapublicschools.us and review Student Code of Conduct, Regulation JCDA-(R)(1), as well as Board Policy IFBG, Internet Acceptable Use.

TEXTBOOKS AND INSTRUCTIONAL MATERIALS

Atlanta Public Schools provides the most appropriate instructional resources available and uses a rigorous selection process to ensure our textbooks and educational materials meet our goals. Please refer to Policy IFAA for more information. Instructional resources may include textbooks, software, online materials and programs, workbooks, and specialized formats, e.g., Braille, audio, digital, large print or other versions. All instructional resources are aligned with the Common Core Georgia Performance Standards and other standards for our course offerings. The number of materials available is based on the instructional requirements for the course. In some cases, students are assigned textbooks to take home; in other cases, the materials are available only during classroom time. In all cases, students should receive all materials needed to successfully complete the homework assigned by the teacher.

VISITORS/UNAUTHORIZED PERSONS ON SCHOOL GROUNDS

Due to COVID-19, all visitors are required to wear masks or facial coverings while inside any APS Building or School Bus.

The Atlanta Board of Education recognizes that the participation of parents and community members in the activities of the school is a key contributor to student success. Atlanta Public Schools welcomes parents and other visitors to the schools. The system provides opportunities to learn about the system’s diverse educational programs and to attend teacher conferences and public events, such as athletic competitions and fine arts presentations. The district’s highest priority is to provide a safe, secure and orderly educational environment, especially in the classroom. To ensure the safety of students, the confidentiality of personal information, and the integrity of the learning environment, the board limits visitors to:

- The parent/guardian of a current student;
- Other family members of a current student at the request of the parent/guardian;
- Individuals with official business approved in advance by the school principal, including, but not limited to, community volunteers, student mentors, board members, and guest speakers; and
- Outside service providers who currently provide private educational or therapy services to a student at the request of the parent/guardian.

All visitors must sign in at the school office and obtain a visitor’s badge that must be worn at all times while in the building or while on the school grounds. In accordance with policy GAMA Safe and Drug-Free Workplace, visitors shall not possess weapons on APS property, in a school or other APS facility, or at any school or district-sponsored activity in accordance with O.C.G.A. §16-11-127.1, any other applicable laws and administrative regulations issued by the superintendent. Visitors who may interact with students other
than their own children shall comply with the requirements of policy GAK(1) Criminal Background Check. Parents/guardians who request a classroom observation or a teacher conference shall provide at least 24 hours advanced notice. Visitors shall behave in a professional manner at all times and shall not distract the teacher from instruction or otherwise interrupt the instructional process.

Student and adult spectators at school events that are open to the public are expected to model good sportsmanship and citizenship. Any visitor to a school or school event who violates this policy may be asked to leave the event and may lose the privilege of coming on campus and attending future school events.

The presence of unauthorized visitors on school grounds or in facilities may constitute trespassing and may subject violators to criminal prosecution under the laws of the State of Georgia.

**REQUIREMENTS FOR GRADUATION**

In support of student success, the Atlanta Board of Education shall offer programs of study that permit students to earn unit credit in grades 9 through 12 leading to graduation with a diploma that prepares students for postsecondary education and careers. To participate in any graduation exercises or ceremonies, Atlanta Public Schools seniors must meet all of the requirements specified in policy IFH and in administrative regulations issued by the superintendent for an APS high school diploma or a special education diploma. Students with disabilities whose Individualized Education Programs (IEPs) indicate that they are unable to meet these requirements shall be allowed to participate in graduation exercises and ceremonies.

Students must satisfy the requirements established for their graduating class, which is determined by the date of enrollment in the ninth (9th) grade. For additional information, please contact your school counselor. Information also may be obtained by visiting [www.atlantapublicschools.us](http://www.atlantapublicschools.us).

**GRADUATION CEREMONY**

All requirements for graduation must be completed before a senior can participate in graduation exercises. A diploma will be presented upon completion of all graduation requirements. The graduation dates are subject to change. (e.g. schools are closed due to inclement weather, emergency on a regular school day)

Students’ participation in the graduation ceremony is a privilege and not a right. Therefore, the principal may prohibit a student’s participation if the student is found to have violated any provision of the Code of Conduct. Participation in the graduation ceremony is voluntary; therefore, a graduation fee or senior dues may be charged to cover costs for such items as diploma covers, printing costs, custodial expenses, floral arrangements, guest speakers, etc. However, students will be given written notification of this fee and description of costs at the beginning of the school year in which they are to participate in the graduation ceremony.

**VALEDICTORIAN / SALUTATORIAN**

Each traditional high school, including individual small schools comprising educational complexes, will designate a valedictorian and salutatorian for each graduating class. The valedictorian will be the student who has earned the highest class rank in the graduating class and who has met the eligibility requirements specified below. The salutatorian will be the student who has earned the second-highest class rank in the graduating class and who has met the eligibility requirements specified below.

The valedictorian(s) and salutatorian(s) will be recognized in graduation ceremonies. Non-traditional schools may recognize the top-ranked students in graduation ceremonies, but these programs will not identify valedictorian(s) and salutatorian(s).
Eligibility
1. The eligible student will have been enrolled in the school from which s/he graduates by the end of the first semester of the junior year.
2. The eligible student will have transferred five (5) or fewer units from a school or program that is not accredited in accordance with state board rule 160-5-1-.15 Acceptance of Transfer Credit and/or Grades and IHA-R(1) Grading Systems – Grading Expectations.

For graduating classes that entered ninth grade in 2008-09 or later, all students earning regular education diplomas are eligible to be designated valedictorian or salutatorian, provided that they have completed a high school curriculum, without exception, and coursework that prepares them for post-secondary education. Coursework requirements for designation as Valedictorian or Salutatorian include successful completion of an honors course, an Advanced Placement course, an International Baccalaureate course (not including the middle years program) or earned a dual enrollment credit.
4. The eligible student will have a weighted numeric grade-point average of 90 or above.

Students who have been selected but fail to complete all requirements for graduation by the end of the second semester for any reason shall become ineligible, and the next eligible candidate will be selected as the valedictorian or salutatorian.

Selection
1. Class rankings to determine the valedictorian and salutatorian will be generated based on grades earned by the end of the first semester of the senior year.

3. The official class ranking list will be the student information system-generated ranking of the weighted numeric grade-point averages of all eligible students in the graduating class.
4. Co-valedictorians and co-salutatorians will be identified if there is an exact grade-point average tie for either the highest or second-highest class rank. See Administrative Regulation IHC-R(1).

FAMILY ENGAGEMENT
Pursuant to Policy LEBA, The Atlanta Board of Education believes that attentive, engaged, and empowered families are a key to the success of our students and our system. In order to achieve our mission, Atlanta Public Schools must foster an environment in which parents and other caregivers have the opportunity to be active participants in the life of our schools, and family engagement should be an integral part of the work of every district staff member. To achieve this goal, the Superintendent shall:

• Recruit, develop, and retain employees who believe that all parents and caregivers love their children, want what is best for them, and are responsive to their needs;
• Cultivate a safe, welcoming and caring environment for students and their families;
• Demonstrate an attitude of partnership through regular, two-way communication with families that is respectful, accessible, and culturally relevant;
• Support families in understanding the strengths and needs of their children and in fostering students’ lifelong relationship with learning; and,
• Empower families as advocates by valuing their voices in decision-making about their children and their schools.

For more information on the Office of Family Engagement, contact Director of Family Engagement, Keasha Copeland, at keasha.copeland@atlanta.k12.ga.us or (404) 802-2802.

Share the housing of other persons due to the loss of housing, economic hardship, or a similar reason; live in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; live in emergency or transitional shelters; are abandoned in hospitals; or are awaiting foster care placement;

4. Live in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; or
5. Are migratory and live in the conditions set forth in items 2, 3, and 4 above.

Homeless students have certain educational rights and can: enroll without delay in school without proof of residency or permanent address, immunization, school records, or other documents or while documentation is being obtained; choose between the local school where they are living or the school last attended before becoming homeless, when requested by the parent and determined by the district to be feasible and in the student’s best interest; attend school and participate in school programs with children who are not homeless; and receive all the school services available to other students including
transportation services, special educational services where applicable, and meals through the school meals programs.

To be considered eligible, to enroll, and for more information regarding homeless education services, contact the School Social Worker or the Homeless Liaison, Sana Ali at sana.ali@atlanta.k12.ga.us or 404-802-2245. It is the responsibility of the parent/guardian to obtain and file a new declaration of intent each year. To submit an online declaration of intent form or for more information regarding home school programs, contact the GaDOE at 404-463-7891 or visit http://www.gadoe.org/Curriculum-Instruction-and-Assessment/Pages/Home-Schools.aspx

HOSPITAL HOMEBOUND
Hospital Homebound (HHB) instruction is designed to provide continuity of educational services between the classroom and home or health care facility for students in Atlanta Public Schools whose medical needs, either physical and/or psychiatric, do not allow school attendance for a limited period of time. HHB instruction may be used to supplement the classroom program for students with health impairments whose conditions may interfere with regular school attendance (e.g., pregnancy, students receiving dialysis or radiation/chemotherapy; or students with other serious health conditions). Students must be enrolled in an Atlanta Public School in order to receive HHB instruction. For additional information, contact the Counselor at the local school for forms and information.

MY BACKPACK
MyBackPack is the Atlanta Public Schools Student Portal. The Department of Instructional Technology is excited to offer a unique 21st Century learning space for every student in Atlanta Public Schools. MyBackPack is accessible from any device and provides students with access to digital learning tools, e-books, secure email, cloud storage and the complete Microsoft Office Suite.

The national common core standards are preparing our students for the integration of 21st century skills and content mastery. Atlanta Public Schools is dedicated to meeting this challenge through an increase of digital student projects that demonstrate mastery of the common core standards, extended learning opportunities beyond the four walls of the classroom and a focus on digital citizenship for each and every student.

Parents and students can access MyBackPack at https://mybackpack.apsk12.org. Students should enter their APS student computer login. The MyBackPack screen will load with the student’s unique username and password. For questions or concerns please email: mybackpak@aps.k12.org.

PARENT TEACHER ASSOCIATION (PTA)
Through PTA initiatives and activities, parents work with faculty to enhance the school environment and improve student achievement. At most schools, the PTA meets at least once a month, with membership drives beginning a few weeks after the new school year begins. Contact your child’s school to secure information on membership, meetings, dues and upcoming activities.
SCHOOL GOVERNANCE (GO) TEAMS
On July 1, 2016, Atlanta Public Schools (APS) became a charter system; agreeing to increase student achievement in exchange for flexibility from certain state education laws. A key component of operating as a Georgia charter system is the establishment of Local School Governance Teams (GO Teams).

GO Teams work with school leadership and the community to help determine the long-term direction of the school, design innovative solutions to increase student achievement, and serve as school ambassadors to the local community. GO Teams operate under the control and management of the Atlanta Board of Education and will follow Board of Education policies and procedures unless a waiver is granted. GO Teams include nine voting members and the school principal. Each team consists of three elected parents/guardians, three elected non-supervisory instructional staff, two appointed community members, one appointed swing seat, and one appointed student (high schools only). For more information about the charter system model, GO Teams, strategic planning and cluster planning please go to www.apsstrongschools.com.

SAFETY AND SECURITY
The Office of Safety and Security Department works in collaboration with staff, parents, communities, and community partners to ensure that safety and security measures meet the unique needs of the Atlanta Public Schools’ learning environment. The Office of Safety and Security includes a Police Department managed by a Chief of Police, Emergency Management Unit led by an Emergency Management Compliance Officer, and a Security Operations department managed by a Security Operations Director. The Police Department is comprised of School Resource Officers (SRO) who philosophically align with the district’s social emotional learning approach, and the national TRIAD model in which law enforcement officers are viewed as an extension of school support. The SROs are assigned to middle and high schools to support students, staff and parents. For additional information contact the Office of Safety and Security, 130 Trinity Avenue Police Precinct, Atlanta, Ga. 30303, Phone (404) 802-2000.

SCHOOL COUNSELORS
The school counselor provides a safe, nurturing environment to foster a trusting relationship with students. Parental permission is not required for students to see the counselor or to participate in classroom guidance activities. In this confidential relationship, students can explore their feelings and experiences in hopes of finding a meaningful, positive solution to their personal issues. In many cases, the school counselor works on problem solving, decision-making, and goal setting with the student.

School counselors do not take the place of private therapists and cannot provide long-term therapy for students. Middle and high school counselors also help with student advisement and focusing on career pathways. Parents, teachers, and students can initiate a referral to the school counselor. For additional information, contact your school counselor or the Coordinator of School Counseling, Maria Grovner, 130 Trinity Avenue SW 6th Floor, Atlanta, Georgia 30303, Phone (404) 802-2642.

SCHOOL HEALTH SERVICES
The School Health Services Program provides coordinated district health initiatives and school-based nursing services to ensure delivery of quality individualized support for students. Services provided by school nurses require a referral and parental / guardian consent for individualized screenings (e.g. vision, hearing, dental). Referrals of individuals with health problems or suspected health problems are accepted from parents, school personnel, students and health care providers in the community and may be submitted to the school-based health services professional or the central health office personnel. For additional information contact Comprehensive Health Services Manager, Dr. Valencia Hildreth, 130 Trinity Avenue SW 6th Floor, Atlanta, Georgia 30303, Phone (404) 802-2674.
SCHOOL NUTRITION PROGRAM
The primary goal of the Nutrition Department is to provide all students healthy school meals that meet their daily nutritional needs and support optimal academic performance at school for student success. For more information visit http://www.atlantapublicschoolsnutrition.us/.

SCHOOL SOCIAL WORKERS
School social workers serve as liaisons between the home, school, and community. They work to ensure that students remain in school and graduate, reach their fullest academic potential, and grow socially and emotionally. As part of the educational team, social workers support students’ thriving in schools by removing barriers that interfere with their academic performance. They are professionally trained to provide services to students who face serious challenges to school success; including mental health and behavior difficulties, school adjustment issues, poverty, discrimination, abuse, addiction, bullying, divorce of parents, and loss of a loved one. Social workers are available to provide support when needed. For additional information, contact your school social worker or the Coordinator of Social Work Services, Dr. Jacquelyn Anthony, 130 Trinity Avenue SW 6th Floor, Atlanta, Georgia 30303, Phone (404) 802-2247, Fax (404) 802-1205.

1. Overview:
Any student or parent or guardian (“grievant”) may request an impartial hearing due to the Atlanta Public Schools’ (APS) actions or inactions regarding a child’s identification, evaluation, or educational placement under Section 504. Requests for an impartial hearing must be in writing to the APS Section 504 Coordinator; however, a grievant’s failure to request a hearing in writing does not alleviate APS’ obligation to provide an impartial hearing if the grievant orally requests an impartial hearing through the Section 504 Coordinator. The APS Section 504 Coordinator will assist the grievant in completing the written Request for Hearing.

2. Hearing Request:
The Request for Hearing must include the following:

   a. The name of the student.
   b. The address of the residence of the student.
   c. The name of the school the student is attending.
   d. The decision that is the subject of the hearing.
   e. The requested reasons for review.
   f. The proposed remedy sought by the grievant.
   g. The name and contact information of the grievant.

Within 10 business days from receiving the grievant’s Request for Hearing, the Section 504 Coordinator will acknowledge the Request for Hearing in writing and schedule a time and place for a hearing. If the written Request for Hearing does not contain the necessary information noted above, the Section 504 Coordinator will inform the grievant of the specific information needed to complete the request. All timelines and processes will be stayed until the Request for Hearing contains the necessary information noted above.

3. Mediation:
APS may offer mediation to resolve the issues detailed by the grievant in his or her Request for Hearing. Mediation is voluntary and both the grievant and APS must agree to participate. The grievant may terminate
the mediation at any time. If the mediation is terminated without an agreement, APS will follow the procedures for conducting an impartial hearing without an additional Request for Hearing.

4. Hearing Procedures:
   a. The Section 504 Coordinator will obtain an impartial review official who will conduct a hearing within 45 calendar days from the receipt of the grievant’s Request for Hearing unless agreed to otherwise by the grievant or a continuance is granted by the impartial review official.
   b. Upon a showing of good cause by the grievant or school system, the impartial review official, at his or her discretion, may grant a continuance and set a new hearing date. The request for a continuance must be in writing and copied to the other party.
   c. The grievant will have an opportunity to examine the child’s educational records prior to the hearing.
   d. The grievant will have the opportunity to be represented by legal counsel at his or her own expense at the hearing and participate, speak, examine witnesses, and present information at the hearing. If the grievant is to be represented by legal counsel at the hearing, he or she must inform the Section 504 Coordinator of that fact in writing at least 10 calendar days prior to the hearing. Failure to notify the Section 504 Coordinator in writing of representation by legal counsel shall constitute good cause for continuance of the hearing.
   e. The grievant will have the burden of proving any claims he or she may assert. When warranted by circumstances or law, the impartial hearing officer may require the recipient to defend its position/decision regarding the claims (i.e., a recipient shall place a disabled student in the regular educational environment operated by the recipient unless it is demonstrated by the recipient that the education of the person in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily. 34 C.F.R.§104.34). One or more APS representatives, who may be an attorney, will attend the hearing to present the evidence and witnesses, respond to the grievant testimony and answer questions posed by the impartial review official.
   f. The impartial review official shall not have the power to subpoena witnesses, and the strict rules of evidence shall not apply to hearings. The impartial review official shall have the authority to issue pre-hearing instructions, which may include requiring the parties to exchange documents and names of witnesses to be present.
   g. The impartial review official shall determine the weight to be given any evidence based on its reliability and probative value.
   h. The hearing shall be closed to the public.
   i. The issues of the hearing will be limited to those raised in the written or oral request for the hearing.
   j. Witnesses will be questioned directly by the party who calls them. Cross-examination of witnesses will be allowed. The impartial review official, at his or her discretion, may allow further examination of witnesses or ask questions of the witnesses.
   k. Testimony shall be recorded by court reporting or audio recording at the expense of the recipient. All documentation related to the hearing shall be retained by the recipient.
   l. Unless otherwise required by law, the impartial review official shall uphold the action of school system unless the grievant can prove that a preponderance of the evidence supports his or her claim.
   m. Failure of the grievant to appear at a scheduled hearing unless prior notification of absence was provided and approved by the impartial review official or just cause is shown shall constitute a waiver of the right to a personal appearance before the impartial review official.
5. Decision:
The impartial review official shall issue a written determination within 20 calendar days of the date the hearing concluded. The determination of the impartial review official shall not include any monetary damages or the award of any attorney’s fees.

6. Review:
If not satisfied with the decision of the impartial review official, any party may pursue any right of review, appeal, cause of action or claim available to them under the law or existing state or federal rules or regulations.

**INTRODUCTION**

The purpose of the Student Code of Conduct is to assist students, parents, teachers, and administrators in promoting and maintaining a positive teaching and learning environment.

The student code of conduct shall be distributed electronically or, for students/parents/guardians that request or require it, a hard copy will be provided to each student each school year and/or upon enrollment of each new student. The parents/guardians shall sign (which may include an electronic signature) an acknowledgment of the receipt of the code of conduct and return the acknowledgment promptly to the school. A parent or guardian who does not acknowledge receipt of the student code of conduct shall not be released of any responsibility with respect to the information contained within the code. The student code of conduct shall be available in the school office. Students/parents/guardians who do not have access to online resources, may obtain a paper copy of the Code of Conduct by contacting the Administrative Office at the student’s school.

All students, regardless of age or grade level, are required to know the contents of the Code of Student Conduct and abide by it and any other rules of conduct imposed by the schools they attend. Parents are asked to read the Student Code of Conduct to understand the responsibilities of their children. Students who misbehave are subject to disciplinary action which could include suspension, expulsion or alternative school assignment.

A student whose words or actions are uncivil to fellow students or school staff and/or interferes with student access to a public education and/or a safe environment, will be subject to disciplinary action. APS or individual schools may impose campus or classroom rules in addition to those found in the Student Code of Conduct. These rules may be listed in the campus student handbooks or posted in classrooms.

Extracurricular activities, such as clubs and athletics, may impose their own standards of conduct, violations of which may not be a violation of the Code of Conduct but may result in extracurricular penalty or removal from the activities. Violations of these standards of behavior that are also violations of the Student Code of Conduct may also result in disciplinary actions being taken against the student, including but not limited to suspension, expulsion and/or the student being removed from participation in extracurricular activities, or exclusion from school honors, such as participation in commencement exercises.

Disciplinary action and the length of the assignment will be progressive and will draw on the professional judgment of teachers and administrators and on a range of discipline management techniques, including positive disciplinary techniques. Disciplinary action will be related to, but not limited to, the seriousness of the offense, the student’s age and grade level, the frequency of misbehavior, the student’s attitude, whether the student was acting in self-defense, the effect of the misconduct on the school environment, intent or lack of intent at the time the student engaged in the conduct, and requirements of law (e.g., IDEA, 504). Because of these factors, discipline for a particular offense (unless otherwise specified by law) may bring into consideration varying techniques and responses. Principals or designees will have the authority
to assign consequences based on behavior related to specific incidents. This may include differentiated discipline assigned on a case by case basis.

If a student, parent, and/or guardian is uncertain as to the interpretation of the Student Code of Conduct they should contact The Office of Student Discipline at 404-802-2239.

Any and all violations of the Code of Conduct will be part of a student’s disciplinary record and may be used in a student disciplinary hearing pursuant to APS’s progressive discipline process.

Suspension of a student from school for not more than ten (10) consecutive days is considered a short-term suspension, not subject to formal rights of hearing or appeal. Although there are no such rights guaranteed by law, parents/guardians may contact the Principal and Associate Superintendent to discuss their child’s discipline.

The Student Behavior Code provides examples of offenses that may occur and is not intended to include all offenses for which disciplinary action may be taken as it is not possible to identify every behavior which might result in disciplinary consequences.

1. **LOCATION OF VIOLATIONS:** Except as otherwise provided herein, the following code provisions apply to offenses that students commit while on school property or while using school technology resources at any time. As used in this Code of Conduct:

1.1. School property includes, but is not limited to:
   1.1.1. The land and improvements which constitute the school;
   1.1.2. Any other property or building, including school bus stops, wherever located, where any school function, event or activity is conducted;
   1.1.3. Any bus or other vehicle used in connection with school functions and activities, including but not limited to, school buses, buses leased by APS and privately owned vehicles used for transportation to and from school activities;
   1.1.4. Personal belongings, automobiles or other vehicles which are located on school property;
   1.1.5. Off campus and not at a school event or function if the behavior meets the definition of an off campus behavior violation or directly affects the safety and welfare of the school community or the orderly mission and function of the school;
   1.1.6. En route to the student's home from school (Prior to imposing discipline regarding incidents occurring en route from school, school administration should consult with the Office of Student Discipline); and
   1.1.7. School computers/devices issued to the student, computers/devices owned by APS, school technology resources wherever located including, but not limited to, all distance learning platforms, websites, and programs.

1.2. School technology resources includes, but is not limited to:
   1.2.1. Electronic media systems such as computers, electronic networks, messaging, and website publishing, and
   1.2.2. The associated hardware and software programs used for purposes such as, but not limited to, developing, retrieving, storing, disseminating, and accessing instructional, educational, and administrative information.

2. **INVESTIGATION OF MISCONDUCT:** When a student code of conduct violation is reported or suspected, the principal or designee will determine whether the charge or complaint has a basis in fact and whether an investigation is warranted and, if so, will instruct appropriate personnel to conduct an
investigation. The investigation may include, but is not limited to, an interview with the charged student or students, interviews with victim(s) and identified witnesses, if any, and interviews with others who might have relevant information. Written statements should be requested from all individuals who are interviewed. Video surveillance, if available and relevant, should be reviewed and secured. School police and other support staff may be utilized for their expertise as determined by the circumstances of the matter. If the local school administration is uncertain as to the interpretation of the Code of Conduct, they are to contact the Office of Student Discipline.

At an appropriate time during or after the investigation, the parent or guardian will be notified. However, if the incident involves an injury or similar situation, appropriate medical attention should be provided, and the parent or guardian should be notified immediately. The principal or his/her designee should also immediately inform parents/guardians when students are removed from the school setting by emergency medical or law enforcement personnel.

2.1 Searches:
In accordance with Atlanta Public Schools’ administrative regulation JCDAF-R(1), school officials may search a student if there is reasonable suspicion the student is in possession of an item that is illegal or against school rules. Student vehicles brought on any Atlanta Public Schools’ campus, student book bags, school lockers, desks and other school property are subject to inspection and search by school authorities at any time without further notice to students or parents. Students are required to cooperate if asked to open book bags, lockers or any vehicle brought on campus. A student’s refusal to cooperate with a search could result in a decision by the school administrator to involve the school resource officer or local law enforcement. Students who disrupt or refuse to cooperate with general or reasonable suspicion searches may be referred for disciplinary action. Alternative schools may use specialized searching procedures and criteria as allowed by law and as designated by the alternative school.

All staff members have the right to confiscate mobile phones when used in violation of policy JCDAF and its implementing regulation. If a student refuses to relinquish a phone or other device to a school staff member, the staff member may refer the student with the device to the principal or designee.

The Atlanta Public Schools assumes no liability for the theft, loss or damage of mobile telephones and other PEDs possessed by students on school property or held by school officials during the confiscation period. APS employees will not be responsible for searching for lost or stolen mobile phone or other PEDs.

School computers and school technology resources are not private and open to school review at any time. Student lockers, desks and all school and classroom storage areas are school property and remain at all times under the control of the school. Periodic general inspections of these areas may be conducted by school authorities for any reason at any time without notice, and without student consent.

If a search yields illegal or unauthorized materials, such materials should be turned over in person to an Atlanta Public Schools Police Department school resource officer.

The determination of whether or not a student has violated the student code of conduct will be made based solely on a preponderance of the evidence. In other words, it is more likely to be true than not true, based on the evidence, that the student did violate the rule. Once it has been determined that a rule(s) was violated, the administrator will follow the progressive discipline process. Repeated level 2 disciplinary violations and Level 3 violations may result in a student being referred to a disciplinary hearing.
3. **STUDENT QUESTIONING BY OFFICIALS:** Principals and Assistant Principals have the responsibility and authority to question students for the purpose of maintaining a safe and orderly school environment. Though it is important to inform parents about issues of concern, parental consent and notification is not required prior to the questioning of students.

4. **PROGRESSIVE DISCIPLINE:** Progressive discipline is designed to aid students in correcting their misconduct, and it encourages students to be responsible citizens of the school community. Progressive discipline should promote positive student behavior, state unacceptable behavior, and establish clear and fair discipline responses for unacceptable behavior. Disciplinary responses are administered in proportion to the severity of the unacceptable behavior, its impact on the school environment, the student’s age and grade level, the student’s previous discipline history, and other relevant factors.

The school discipline process should include appropriate consideration of support processes to help students resolve issues that may be contributing to violations to the student code of conduct. These resources may include, but are not limited to, Student Support Team, positive behavioral supports, restorative practices, counseling with school counselor, school social worker intervention, behavior, attendance and academic contracts and plans, peer mediation, and prevention programs.

The offenses have been organized into three (3) levels of prohibited behaviors: Level 1 discipline (minor) offenses, Level 2 discipline (intermediate) offenses, and Level 3 discipline (major) offenses.

If a student has been found to have engaged in acts in the school or on the school bus that repeatedly disrupt the school environment, are violent in nature, and/or involve bullying or physical threats, then, in addition to any discipline imposed, the student’s parent/guardian may be required to meet with the Principal or designee to execute a behavior contract.

4.1. **Level 1 Discipline:** Level 1 discipline is used for minor acts of misconduct which interfere with the good order of school. Level 1 offenses are generally MINOR OFFENSES and may represent a failure to demonstrate universally defined expectations or social skills. It is the responsibility of all staff to address minor offenses as soon as practicable within the environment in which the misbehavior occurred. Following appropriate teacher intervention, students may be referred to an administrator.

4.3. **Level 2 Discipline:** Level 2 discipline offenses are intermediate acts of misconduct. Level 2 offenses are generally MAJOR INFRACTIONS and are serious safety violations. Major infractions are addressed by administrators. Repeated (3 or more) violations of any Level 2 offense can result in that violation being considered a Level 3 offense which may result in long term suspension/expulsion and may include a referral to the alternative school.

4.4. **Level 2 Discipline**

4.5. **Level 3 Discipline:** Level 3 discipline offenses are serious acts of misconduct including, but not limited to, repeated misbehaviors of a similar nature, serious disruptions of the school environment, threats to health, safety, or property and other acts of serious misconduct. Level 3 offenses are generally MAJOR INFRACTIONS and are serious safety violations. Major infractions should be reported to the school administrator immediately after the incident, and may result in the immediate removal of a student from the school. Administrators will notify the appropriate Associate Superintendent, district personnel, school resource officers, Safety and Security personnel, and law enforcement agencies as deemed appropriate or required by law.

Any misconduct that threatens the health, safety, or well-being of others may result in immediate suspension of the student from the school and/or school-sponsored activities for up to ten (10) school days, pending disciplinary investigation of the allegations. In addition to possible suspension, students who commit these offenses may be recommended for long-term suspension or expulsion and reassignment to an alternative.

APS employees will not be responsible for searching for lost or stolen student property.

5. **STUDENT OFFENSES**
A student shall not violate any of the following rules of APS. The disciplinary levels below correspond to the progressive discipline levels detailed above. However, in serious offenses, Principals, or designee working in conjunction with the Office of Student Discipline, or an Associate Superintendent may use higher level of progressive discipline. The Student Code of Conduct provides examples of offenses that may occur, but it is not intended to include all offenses for which disciplinary action may be taken as it is not possible to identify every behavior which might result in disciplinary consequences.

5.1.1 **Academic Dishonesty:** It is the responsibility of every student and employee to exhibit honesty, trust, fairness, respect, and responsibility in academic work at all times to support a positive learning environment in the school. Cheating, plagiarism and other acts of academic dishonesty are strictly prohibited. Students who cheat on standardized testing or are repeatedly dishonest can face expulsion or increased consequences. Examples of violations of this rule include, but are not limited to: copying or "borrowing" from another source and submitting it as one's own work; seeking or accepting unauthorized assistance on tests, projects or other assignments; fabricating data or resources; providing or receiving test questions in advance without permission; or working collaboratively with other students when individual work is expected. Depending on age of student, level of severity or repetition, the administrator may utilize interventions, supports, and Level 1-3 disciplinary responses for this offense.

5.1.2 **Academic Dishonesty with a Device:** It is the responsibility of every student to exhibit honesty, trust, fairness, respect, and responsibility in academic work at all times to support a positive learning environment in the school. Use of a cellular phone without the consent of a school administrator or school staff during a test, quiz, or completion of a graded assignment is considered cheating and is strictly prohibited. Depending on age of student, level of severity or repetition, the administrator may utilize interventions, supports, and Level 2-3 disciplinary responses for this offense. Additionally, any violation will result in the device being confiscated and will result in the student's loss of the privilege of possessing a cellular telephone or PED on school property for one (1) calendar year, and the student may receive a grade of zero (0) on the test or quiz.

*If a 3rd and subsequent offense of Bullying/Cyberbullying/Electronic occurs within one school year, as determined by a hearing officer, a student in grades 6-12 shall be expelled for at least one calendar year, with an option for the student to attend the alternative school during this discipline.

NOTE: Parents/guardians of students who are victims of bullying or are found to have committed bullying behaviors will be notified via conference or letter/referral. Staff members should report instances of these behaviors to school administration immediately so that administrators may review them in a timely manner. At least one parent/guardian will be required to attend a conference with the Principal or designee concerning the student’s bullying offense.

Employees, volunteers, students and parents/guardians/other persons that have access to and/or monitor students may anonymously report or otherwise provide information on bullying activity to a school administrator. No person who reports bullying behaviors will be retaliated against by any school employee. Students who retaliate against others for reports of bullying behavior are subject to discipline which may include enhanced consequences. Students who knowingly file a false report of bullying will also be disciplined.

If a student is found to have engaged in bullying or physical offense of another person on the school bus, a meeting shall be scheduled involving the parent or guardian of the student and appropriate school district officials to form a school bus behavior contract for the student. Such contract shall provide for progressive age-appropriate discipline and restrictions for student misconduct on the bus. Contract provisions may include but shall not be limited to assigned seating, ongoing parental involvement, and suspension from riding the bus. This paragraph does not in any way limit or restrict the school system’s ability to take additional action, including imposing disciplinary sanctions through and including permanent expulsion from the school system, as a result of the student’s behavior.

Victims: Any alleged victim of harassment or bullying may request to have his/her schedule changed, subject to the principal’s approval. Students with disabilities may be entitled to additional protections and considerations that may not be contained in this Rule or this Code of Conduct including supportive measures as defined on pg.____. If a parent/guardian has a question about a student with a disability, he or she should contact the school principal or Department of Special Education.

Community Incidents: It is beneficial for the school to be notified of community situations that may impact the school environment. However, individuals who are subject to harassment, bullying, “cyberbullying”, or other acts of crime or violence in the community should contact their local, jurisdictional police department for action, as the school may have limited or no jurisdiction to discipline (OSS, ISS, etc.) for events that occur in the community.

The principal should also request that at least one (1) parent or guardian attend a conference with the principal and/or teacher. The purpose of the conference would be to devise a disciplinary and behavioral correction plan.

Before any chronic disciplinary problem student is permitted to return from suspension or expulsion, the school to which the student is to be readmitted should request by telephone call or by either certified mail with return receipt requested or first-class mail that at least one (1) parent or guardian schedule and attend a conference with the principal, or principal’s designee, to devise a disciplinary and behavioral correction plan. At the discretion of the principal, a teacher, counselor, or other person may attend the conference. The principal will note the conference in the student’s permanent file. Failure of the parent or guardian to attend shall not preclude the student from being readmitted to the school.

The school system may, by petition to the juvenile court, proceed against a parent or guardian of a chronic disciplinary problem student if school system personnel believe the parent or guardian has willfully and unreasonably failed to attend a conference requested by a principal.

10. **DRIVERS’ LICENSES**: In addition to the discipline specified in this Code of Conduct for attendance and selected conduct, students may find their eligibility for a Georgia instructional/learner’s permit or driver’s license impacted by their school enrollment. Students must obtain a Certification of Enrollment from their school stating that the student is enrolled in and not under expulsion to be eligible for a driver’s license or learner’s permit.

11. **DISCIPLINED STUDENTS ON CAMPUS**: Students who are suspended or expelled are not allowed on school grounds to participate in regular school activities, extracurricular activities, athletic participation, and other school events. Students assigned to alternative school may not return to their home school or any other APS school to participate in school events without permission of the Principal. Failure to adhere to this rule can result in the student receiving additional disciplinary charges and/or an increased disciplinary response.

12. **REMOVING DISRUPTIVE STUDENTS FROM THE CLASSROOM**: The Superintendent and Principals shall, and do, fully support the authority of every teacher in his/her school(s) to remove a disruptive student from his/her class pursuant to O.C.G.A. § 20-2-738. The principal or the principal's designee will respond when a student is referred by a teacher by employing appropriate discipline management techniques that are consistent with District policy, procedure and guidelines.

   a. **Teacher Reporting**

   Teachers are required to file a report with the principal or principal's designee if he or she has a student that has exhibited behavior that repeatedly or substantially interferes with the teacher's ability to communicate effectively with the students in his or her class or with the ability of such
student's classmates to learn, where such behavior is in violation of the student code of conduct. This report will be filed within one school day of the most recent occurrence of such behavior, will not exceed one page, and will describe the behavior. The principal or the principal's designee will, within one school day after receiving such a report from a teacher, send to the student's parents or guardian a copy of the report and information regarding how the student's parents or guardians may contact the principal or the principal's designee.

If student support services are utilized or if disciplinary action is taken in response to such a report by the principal or the principal's designee, the principal or the principal's designee will send written notification to the teacher and the student's parents or guardians of the student support services being utilized or the disciplinary action taken within one school day after the utilization or action and will make a reasonable attempt to confirm that such written notification has been received by the student's parents or guardians. Such written notification will include information regarding how the student's parents or guardians may contact the principal or the principal's designee.

b. Teacher Removal of Disruptive Student

Teachers have the authority to remove from the class a student who repeatedly or substantially interferes with the teacher's ability to communicate effectively with the students in the class or with the ability of the student's classmates to learn, where the student's behavior is in violation of the student code of conduct, provided that the teacher has previously filed a report pursuant to the Teacher Reporting section of this Code, or determines that such behavior of the student poses an immediate threat to the safety of the student's classmates or the teacher. Principals will implement the District's removal process and will fully support the authority of every teacher in his or her school to remove a student from the classroom pursuant to Georgia law.

When a student is removed from the regular classroom, a conference will be scheduled within three school days with the student's parent/guardian, the teacher, and the student. During the conference the administrator will explain the grounds for the student's removal from class and give the student the opportunity to explain his/her behavior. After the conference, the principal will notify the student and parent(s) of the consequences of the Student Code of Conduct violation.

Each school will establish a placement review committee which is to be composed of three members, to determine the placement of a student when a teacher withholds his or her consent to the return of a student to the teacher's class. For each committee established, the faculty will choose two teachers to serve as members and one teacher to serve as an alternate member and the principal will choose one member of the professional staff of the school to serve as a member. The teacher withholding consent to readmit the student may not serve on the committee. The placement review committee will have the authority to: return the student to the teacher's class upon determining that such placement is the best alternative or the only available alternative; or refer the student to the principal or the principal's designee for appropriate action consistent with the removal process. The District will provide training for members of placement review committees regarding the provisions of this process, including procedural requirements; policies, procedures and guidelines relating to student discipline; and the student code of conduct that is applicable to the school.

For a student with disabilities, including those with IEPs or 504 plans, the removal from class must be consistent with state and federal laws and regulations regarding students with disabilities. School staff should refer to additional processes maintained by the Office of Student Discipline for more information regarding implementation of the Removal Process.

**NOTE:** For the purpose of this policy, the term “repeatedly or substantially” shall be defined as a minimum of three incidents.
13. TRUANCY: When a child is absent, parents, guardians, or other persons who have control of a child enrolled in APS should report reasons for absences in compliance with Policy and Regulation JB. Georgia law requires that after any student accrues five (5) days of unexcused absences in a given school year, the parent, guardian, or other person who has control or charge of that child shall be in violation of O.C.G.A. § 20-2-690.1(b). Any child that is subject to compulsory attendance who, during the school calendar year, has more than five (5) days of unexcused absences is considered truant. The law states the following:

“Any parent, guardian, or other person residing in this state who has control or charge of a child or children and who violates this Code section shall be guilty of a misdemeanor and upon conviction thereof, shall be subject to a fine of not less than $25.00 and not greater than $100.00, or imprisonment not to exceed 30 days, community service, or any combination of such penalties, at the discretion of the court having jurisdiction. Each day’s absence from school in violation of this part after the child’s school system notifies the parent, guardian, or other person who has control or charge of a child of five unexcused days of absence for a child shall constitute a separate offense.”

13.1 Schools will notify parents/guardians when a student has accumulated five (5) unexcused absences.
13.2 Schools will also notify parents/guardians of students 14 years of age and older when the student has accumulated seven (7) unexcused absences during the school year.
13.3 Possible consequences may also include disposition for unruly children in accordance with O.C.G.A. § 15-11-67.

14. REPORTING TO LAW ENFORCEMENT: In addition to discipline of students by APS, student conduct may be reported to appropriate law enforcement authorities, including pursuant to O.C.G.A. 20-2-1184. Some Student Code of Conduct violations may also result in criminal charges. School disciplinary action will be independent of any criminal or juvenile court decisions. When it comes to the attention of APS that an offense has occurred which may constitute criminal behavior, the officials and employees of Atlanta Public Schools will cooperate with the police and other investigative agencies in providing and sharing information about the student to the degree that the official or the employee deems necessary and/or is governed by law.

As required by the Georgia Legislature, APS encourages parents/guardians to inform their children of the consequences, including potential criminal penalties, of underage sexual conduct and crimes for which a minor can be tried as an adult.

15. DISCIPLINE OF STUDENTS IN PRE-K THROUGH THIRD GRADE: Pursuant to O.C.G.A. 20-2-742: Students in Pre-K through 3rd grade will not be expelled or suspended from school for more than five consecutive or cumulative days during a school year without first receiving a multi-tiered system of supports, such as response to intervention. ‘Multi-tiered system of supports’ or ‘MTSS’ also may include a systemic, continuous-improvement framework in which data based problem-solving and decision making is practiced across all levels of the educational system for supporting students at multiple levels of intervention.

If such student is receiving or has received a multi-tiered system of supports, the school has met these requirements. This requirement does not apply if:

- the student possessed a weapon/ dangerous instrument (including Rule 5.25) or illegal drugs (including Rule 5.2); and/or
- the student’s behavior endangers the physical safety of other students or school personnel.
In addition, if a student has an Individualized Education Program (IEP) or a Section 504 plan, prior to assigning the student in Pre-K through 3rd grade out-of-school suspension for more than five consecutive or cumulative days during a school year, the school or program shall also convene an IEP or Section 504 meeting to review appropriate supports being provided as part of the IEP or Section 504 plan.

16. **STUDENT HEARING PROCEDURE**: APS supports effective student discipline procedures to support student success and safety in the classroom and the school. For more information pertaining to student hearing procedures see Policy JCEB Student Hearing Procedure and Administrative Regulation JCEB-R(1) Student Hearing Procedure.
STUDENT FORMS:

Parents & Students,
Please review the following Parent Acknowledgement and Student Forms and sign and return the signature page within five (5) days of receipt of the Student Handbook.
**Handbook Acknowledgement**

We have received the Student Handbook and all included documents, including the Student Code of Conduct, which is online at [www.atlantapublicschools.us](http://www.atlantapublicschools.us), and is also available at my school should we need a hard-copy. We understand that we are responsible for reading and understanding this information. Parents are responsible for ensuring their student(s) understand this information.

We also understand that this Student Handbook and Code of Conduct contains rules that students are expected to follow. Rules are expected to be followed on school property and, in some cases, off school property. See the Code of Conduct for more information.

We also understand that this Student Handbook and Code of Conduct contains information about possible legal consequences if a child does not attend school as required by Georgia law in § 20-2-690.1. If a child has more than five (5) unexcused absences, parents, guardians, or other persons who have control or charge of a child are subject to fines, imprisonment, community service or any combination of these penalties.

We also understand that in addition to school-based discipline of students, student misconduct may be reported to appropriate law enforcement authorities. The School District encourages parents/guardians to inform their children of the consequences, including potential criminal penalties, of underage sexual conduct and crimes for which a minor can be tried as an adult.

We understand that major offenses including, but not limited to, drug and weapon offenses can lead to schools being named as an Unsafe School according to the provisions of State Board of Education Rule 160-4-8-.16 Unsafe School Choice Option.

We understand that all volunteers who work with children in the state of Georgia are required by law to report suspected child abuse as required by Georgia law in O.C.G.A. 19-7-5.

We understand that participation in athletic and extracurricular activities in Atlanta Public Schools is a privilege. Students participating in these activities represent their school and more importantly, depict its character. Therefore, the School may withdraw the privilege to participate in these activities if students violate the team rules, the Student Code of Conduct or state/federal laws.

**Publicity Release**
