Personal Electronic Device (PED) Policy

CELL PHONE & ELECTRONIC DEVICES POLICY

**All devices must
be turned off
and put away**

As we begin the new school year, we would like to remind everyone of our updated expectations regarding cell phones, AirPods, Beats, and other electronic devices to support a focused and distraction-free learning environment.

During School Hours:

- All electronic devices, including cell phones, AirPods, Beats, and similar devices, must be turned off and stored away **throughout the entire school day.**

Consequences:

- If a student is in possession of a cell phone during the school day, the device will be confiscated and submitted to the office. The parent must then schedule a meeting with Dr. Dupree to retrieve the device.

Emergencies:

- If you need to contact your child during school hours, please call the front office.

This policy is designed to maximize student engagement and minimize distractions during class.

Thank you for your partnership in promoting academic success and responsibility!
