

July 25, 2022

It is our sincerest hope that you have had a safe, healthy, and fun summer break. On behalf of the Hutchinson Staff, it is truly my pleasure to extend a warm and heartfelt welcome to you as we begin the 2022-2023 school year. We are looking forward to working with you and your child beginning on the first day of school, August 1st. We are certainly hoping for a much more “normal” school year, and we intend to be stronger than ever before.

I believe your children are in excellent hands and we are so fortunate to have a dedicated staff and school community. It is our hope that we continue to work together to create a positive learning environment for our students. Your children receive the best education when you and our dedicated teachers work as a team. We encourage you to contribute your time, talent, commitment, and enthusiasm that will inspire children to do their very best; and we will provide an active and engaging learning environment that encourages students to achieve their highest potential. We want to ensure that every student has equal and accessible learning opportunities, and your support and cooperation are key. Here are some ways that you can support your child’s education at Hutchinson Elementary:

- [Make sure your child attends school daily and arrives on time \(7:45am\), ready to learn](#)
- [Ensure your child completes all classwork and homework assignments given by teachers](#)
- [Have your child read 20-30 minutes daily to develop a love for reading and to improve literacy skills](#)
- [Ask your child about their school experiences so that you are aware of his/her school life](#)

There's a lot of excitement ahead of us, including new teachers/staff to meet, new friendships to nurture, new books to read, and new skills to learn and master. We look forward to you sharing in these exciting times in the days, weeks and months ahead. Please plan to attend our Open House on Friday , July 29, 2022 to meet your child’s teacher, receive devices and resources, and learn about the exciting things we have planned this school year. The Open House is scheduled from 9am-11am Please see the new bell schedule for the upcoming year below:
