

Welcome Back

Gifted & Talented Development

Dear Gifted Families,

Welcome to the 2025–2026 school year! I'm excited to serve as your Lead Gifted Teacher at Dunbar Elementary and look forward to working with your child.

A little about me — my name is Mrs. A. Palmer, and I've been teaching in Atlanta Public Schools for 13 years, with experience across all grade levels (PreK–5th). I hold a bachelor's degree in Public Relations from the University of Alabama, a master's in Teaching from Georgia State University, and earned my gifted endorsement in 2019.

This year, I'll support your child through the Resource Model, providing a full day of enrichment at least once per week.

For more information about gifted services, including identification and enrichment, please visit the APS Gifted & Talented website:

If you have any questions, feel free to reach out. I'm looking forward to a great year with you and your child!

Warmly,

Mrs. Ashley R. Palmer
