What is Title I?

Cleveland Avenue Elementary School is identified as a Title I school as part of Every Student Succeeds Act (ESSA). Title I is designed to support state and local school reform efforts tied to the challenging state academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and families a written parent and family engagement plan.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Cleveland Avenue Elementary School will provide opportunities to improve parent engagement to support student learning. CAES values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Cleveland Avenue Elementary School will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Cleveland Avenue Elementary School invited all parents to attend our Annual School Forum last spring to review and revise this parental involvement policy, the School-wide Plan, our School-Parent Compact, and the Parental Involvement Budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual Title I survey online and by mail to ask parents for their suggestions on the plan and the use of funds for parental involvement.

Who is it for?

All students participating in the Title I, Part A Program, and their families are encouraged and invited to fully participate in the opportunities described in this plan.
