Medicaid application for: Pregnant Women, Children under the age of 19, Newborn & Low Income Medicaid.

Please provide the following documents to help process your Medicaid Application. Front desk staff will help you in providing copies of all necessary documentation.

1) Your picture Id with complete name and birth date.

2) Picture Id for your spouse, partner, etc.

3) If you are applying for household members please provide Birth Certificates and Social Security cards.

4) If you recently delivered your baby you will need to provide confirmation of birth from the hospital.

5) Proof of address, it can be a utility bill **(Utility bill does not have to be in your name.)**

6) Verification of income **(Below are forms of income.)**

      * If you or your spouse is paid in cash please give the attached documents to your employer, also you can provide letter from your employer on their letter head.

      * If you or your spouse is paid in check please provide most recent pay stubs **(If paid weekly you will need to provide 4 most recent paystubs or bi-weekly you will need 2 most recent paystubs.)**

      *If you currently are not employed and are being supported by someone other than your spouse, you will need to provide letter of support from the person that is providing financial support. **(Letter must provide full name, address, telephone number and signature of the person that is supporting you financially.)**

      *Income also consists of disability, child support, worker's compensation, unemployment, and any other form of income.

If all documents are not available at the time of application, still fill, sign the application and give it to the front desk staff. You can fax or email the remaining documents. If you have any questions concerning your application for Medicaid please contact me. Below you have all the necessary contact information to email, call or fax me your information.

Sincerely,

Cindy Torres / Medicaid Enrollment Coordinator
