YouScience

What is YouScience? YouScience uses a series of brain games to measure your aptitudes (abilities most important to career success). The results include a review of your natural strengths and interests, and matching to 500+ careers (with detailed information about each career like salary, a day-in-the-life, etc).

Check out this video to learn more about how **YouScience** can help you plan for college and career success:

www.youscience.com/whatisys

Directions for taking YouScience: You must take YouScience on a computer (no tablets or phones). The brain games will take about 90 minutes total for you to complete, but you do NOT have to take them
