Family Engagement & Communications Advisory Committee

Humphries Elementary School has a Family Engagement & Communications Advisory Committee to enlist family involvement in the education of our students. Here at Humphries we believe learning is a shared responsibility that requires active involvement by students, staff, families, and the community.

Parents and community members who would like to be a part of the committee should contact Ms. Tamika McNamee (GO Team Chair) by Friday, November 15, 2019 at 404-802-8753, or email tmcnamee@atlanta.k12.ga.us

Meetings of the Advisory Committee shall be scheduled and publicly noticed by the committee chair. A written report of its actions shall be presented by the chair to the **GO Team** at the next scheduled **GO Team** meeting.

The proposed Advisory Committee has the following goals/objectives:

- a) Keep the community informed on primary GO Team responsibilities, including progress on the school's strategic plan, budget, and School-Based Solution (SBS) proposals.
- b) Participate in the annual school community meeting.
- c) Engage community stakeholders by gathering their input on proposed SBSs to be submitted by the GO Team and on any other major school initiatives and changes.
- d) Plan quarterly events to increase family and community engagement in the school community.
