- IV. Discussion Items**
 - A. Engagement Update: Ms. Esteves spoke with Ms. Haley (Parent Liaison) to continue parent empowerment night. First step is to work on continuing parent seminars, providing virtual tours for prospective parents, and parent resources. Committee set up to begin putting together resources, and people to speak with our community. Conversation around creating a more inclusive website.
- V. Information Items**
 - A. [Principal's Report](#) : Reopening updates-- 44% of students (241 total) returning.
 - Staff returns on 1/19
 - PreK through 2 return 1/25
 - Grade 3 through 5 return 2/1
 - Safety manuals will be shared with parents on next week's weekly HOOT.
 - End of semester 1/15
 - Enrollment numbers were shared: Conservative 496; Optimistic 526.
 - Current Enrollment 487
 - Pros for conservative is that school will not have to worry about leveling, when school starts, but we might have to make cuts before the school year starts.
 - If we use the optimistic forecast we can use those funds and budget for next year with more funds, but would have to cut during next year if we do not make the numbers.
 - Budget training will be on the 1/21, and we will be planning a budget meaning after. More timeline information to come.
- VI. Announcements**
- VII. Public Comment**
- VIII. Adjournment: Meeting adjourned at 4:34.**
