# What Happens Next?

## Students with Elevated or Highly Elevated Risk Flags

Students who rated themselves "at risk" are prioritized

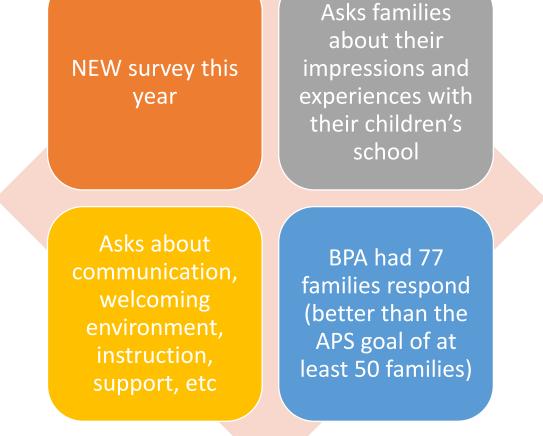

- Ms. Mellick and Ms. Rodgers meet with the students to discuss their answers
  - If supports are needed in addition to what is offered to all students, Ms. Mellick and Ms. Rodgers work with parents to decide what additional supports are needed.

  - Additional supports could include:
    Small group with the counselor or social worker
    More frequent check-ins from support staff
    Referrals to therapeutic services
- Our goal is to complete response protocols before we leave for Spring Break
