ii. 2023 GA Milestones Results

Ms. Momon shared 2023 GA Milestones results. She also shared data where she compared the grade levels by cohorts. After she shared the data, she opened the floor for questions. Ms. Momon also spoke on some Glows and Grows in attendance, math, and ELA. She mentioned Cascade needed to focus more on ELA and attendance. She asked were there any questions or wonders about the data. Ms. Tora inquired about attendance. She wonders why our attendance rate was the way it was. Ms. Momon addresses the wonder about ways Cascade try to help with the attendance such as flyer, visit into the community, etc. Often student attendance is impacted because of illness, the start of school being early, etc. Ms. Momon also mentioned most students with low attendance performance is low as well. We will revisit our Strategic Plan at the next meeting to refine and change.
