IV. Discussion Items *(add items as needed)*

A. Discussion Item 1

V. Information Items

A. Principal's Update

Ms. Momon gave the principals update. She discusses the transition to the temporary meeting. The transition into our relocation site has gone well. The HVAC in some portions of the building are not working properly. We filled all of our teacher vacancies before Day 1 of school. We only had 1 position to fill in regards to homeroom teachers. We did not have a staff turnover this year. As of Monday August 19th we have 308 students enrolled including 19 Pre-K students.

Ms. Momon speaks about the enrollment and that our numbers are higher than expected and will have to wait to hear from our budgeting department because we were projected to only have 251 students at Cascade. This means that we will earn \$5334.00 for every additional child over the projection. So as a result, as of the 10th day of school, our budget would have been adjusted positively \$149,352. In addition to that, there is some money in the reserve that we are we're holding \$28,670 just in case we didn't receive the kids. We discussed as a team that we should possible add an new teacher due to the higher number of students enrolled in the school. We also discussed that we should use allotted money for instructional materials.

B. Information Items

Ms. Momon asked for suggestions from the team to give incentives to the teachers. She would like to give the staff nice things and incentives. She asked if members knew of any partners that would like to work with the school. She informed everyone of Dr. Johnson's 100 Day Plan and advised for everyone to complete the survey.
