IV. Discussion Items

- a. **Continuous Improvement Plan Presentation:** Horton shared the school's strategic Plan and SMART goals. Our priorities are: Utilize flexible learning tools, technology integration, and targeted instruction to personalize learning; Create opportunities for families to shape the experiences students have in school, receive accurate and accessible information about students' progress, and have a legitimate role in decision-making. Also shared were the overarching needs in literacy, math, and the whole child; attendance; and MAP reading and math data.
- b. **Mission and Vision Revisions from SY22:** Last year the leadership team created several revisions to the mission and vision statements. The purpose was to change several words in both statements to be more explicit. At the next meeting we will review and discuss the revisions.

V. Information Items

- a. **Principal's Report:** Dr. Horton nominated Mrs.C. Stroizer as a community member. We will vote Mrs. Storizer in at the next meeting.
