Setting for our school's priorities: Supporting our families as the community changes. We would like to make sure that all families are treated fair and supported as this change takes place.

Also, we would like to make sure that all of our school funds are being used in the right way.

Hope-Hill will lose \$36,000 from our budget because of the decrease in the schools population.

Hope-Hill had the highest growth, and received all of their points.
