- Ms. Wheeler shared with the team about her trip to Denver (21st century schools). 21st century schools are project base learning. Communicate, Critical Thinking, Collaborate, and Creative.
- The Go Team looked at the many challenges that the teachers are facing. The team is looking to change these challenges for the upcoming school year. (reading program and sst)
- The team talked about the Hope-Hill (Grady Cluster) strategic plan. We reviewed the changes that were made to the plan.
- The culture of the school was also a topic. We talked about getting the parent involvement up and also building the trust of the parents.
- Every 3rd grader will receive a learning center and the parents will also be trained on how to work the learning center. The program is called power my learning.
- Next meeting we will talk about the district legislative changes.

Meeting adjourned 5:26pm
