 - iii. Ms. Wheeler shared the strategic plan, which focused on reading and math proficiency, and whole child. She will be emailing it to the team.
 - iv. She then shared some Georgia Milestone data. Can see on APS insights. In comparison to other Title 1 and high poverty schools, only approximately 5 schools performed better than Hope-Hill.
 - 1. Also, on the Score v. Challenge index, Hope-Hill performed well over the regression line, and scored much better on the GMAS than our challenge index expected us to perform.

- v. CCRPI and Daily attendance went down, but our disciplinary actions have gone down significantly since 2018-2019. We feel that we were very impacted by the pandemic.
