

District Mission & Vision

With a caring culture of trust and collaboration, every student will graduate ready for college and career;

A high performing school district where students love to learn, educators inspire, families engage and the community trusts the system.

Cluster Mission & Vision

A community emphasizing a student centered culture of collaboration where students will graduate ready for college and career.

A high performing cluster where all stakeholders work together to ensure students are empowered to become 21st century globally competitive citizens.

School Mission & Vision

Provide all students with a quality education through innovative, intellectual choices and enriched learning experiences that foster high academic success, creativity, and college and career readiness exploration.

Provide all students with rich learning experiences that will enable them to maintain success throughout their academic career and beyond.

Signature Program: International Baccalaureate / School Turnaround
